AMS Battery Box Storage Assembly Safety Instructions

Introduction

Thank you for choosing the AMS Battery Box Storage Assembly. This product is designed to provide a reliable storage solution for the AMS Modulare MLOK MilSpec Carbine Stock. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle the battery box with care to prevent any physical damage.
- Ensure that the battery box is stored in a dry and cool environment to avoid moisture damage.
- Only use the product for its intended purpose as specified in the product description.
- Keep the battery box out of reach of children and pets to avoid accidents.
- Regularly inspect the battery box for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not expose the battery box to extreme temperatures or direct sunlight for prolonged periods.
- Avoid using the battery box in wet or humid conditions to prevent electrical hazards.
- Ensure that the battery box is securely closed when not in use to prevent accidental opening.
- Do not overload the battery box beyond its specified capacity.
- If you notice any unusual smells, sounds, or performance issues, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation

- Ensure you have all necessary components before beginning installation.
- Locate a suitable and stable surface to install the battery box.
- Follow the manufacturer's instructions for securely attaching the battery box to the AMS Modulare MLOK MilSpec Carbine Stock.

2. Usage

- Place the batteries inside the battery box according to the polarity markings.
- Ensure that all connections are secure and free from corrosion.
- Regularly check the battery levels and replace them as needed to ensure optimal performance.
- Store the battery box in a safe location when not in use.

Disposal Instructions

- Dispose of the battery box in accordance with local regulations.
- Do not dispose of batteries in regular household waste; instead, use designated battery recycling facilities.
- Ensure that the battery box is empty and clean before disposal.

Contact Information for Further Support

For any questions regarding the AMS Battery Box Storage Assembly, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your AMS Battery Box Storage Assembly. Thank you for your attention to these important guidelines.
