Safety Instruction Guide for BRN4® Bolt Assembly

Introduction

Thank you for choosing the BRN4® Bolt Assembly by Brownells. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is used in accordance with all applicable laws and regulations.
- Always handle the bolt assembly with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bolt assembly for signs of wear or damage.
- If you suspect the product is unsafe or defective, discontinue use immediately and report it to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling or working with firearms.
- Ensure that the firearm is unloaded before installing or replacing the bolt assembly.
- Follow the manufacturer's instructions for your specific firearm model to ensure compatibility.
- Do not modify the bolt assembly in any way, as this may compromise safety and performance.
- Be aware of the potential for accidental discharge and always treat firearms as if they are loaded.

Instructions for Installation and Usage

1. Preparation:

- Ensure you are in a safe and controlled environment before beginning the installation.
- Gather all necessary tools and safety equipment.

2. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing bolt assembly from the firearm according to the manufacturer's instructions.
- Inspect the new BRN4® Bolt Assembly for any visible damage before installation.
- Carefully insert the new bolt assembly into the firearm, ensuring it is seated properly.
- Follow the specific instructions for your firearm model to ensure correct installation.

3. Usage:

- Always ensure the firearm is in a safe condition before handling.
- When ready to use, follow all standard safety practices for firearms.
- After use, clean and maintain the bolt assembly according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any damaged or unusable parts in accordance with local regulations.
- Do not dispose of the bolt assembly in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the BRN4® Bolt Assembly, please refer to the manufacturer's website or customer support resources. It is important to have access to reliable information for the safe handling and use of your product.

Conclusion

By following these safety instructions and guidelines, you can help ensure a safe and enjoyable experience with your BRN4® Bolt Assembly. Always prioritize safety and stay informed about best practices for firearm maintenance and usage.
