# Safety Instruction Guide for RELIANT HUNTER DROPIN TRIGGER FOR REMINGTON 700

## Introduction

Thank you for choosing the RELIANT HUNTER DROPIN TRIGGER for your Remington 700 or Rem 700 clone rifle. This guide provides essential safety information to ensure the safe use and installation of your trigger. Please read this guide carefully before use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is unloaded before installation of the trigger.
- Store the trigger and firearm in a secure location, away from children and unauthorized users.
- Follow all local, state, and national laws regarding firearm ownership and modifications.
- Regularly inspect your trigger and firearm for any signs of wear or damage.

## Specific Safety Precautions for Use

- Ensure proper fit: The RELIANT HUNTER trigger is designed for Remington 700 and Rem 700 clone actions. Verify compatibility before installation.
- Adjust pull weight cautiously: The trigger allows adjustment from 2 to 5 lbs. Make adjustments in small increments and test the trigger after each adjustment to ensure safety.
- Use appropriate tools: Only use tools recommended for installation and adjustment to avoid damaging the trigger or firearm.
- Avoid distractions: Focus on the installation process and avoid distractions to ensure safety.
- Be mindful of your surroundings: Ensure that you are in a safe environment when handling your firearm and trigger.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded.
- Gather necessary tools: screwdriver, Allen wrench (if applicable), and safety glasses.

### 2. Installation

- Remove the existing trigger from the firearm according to the manufacturer's instructions.
- Carefully install the RELIANT HUNTER DROPIN TRIGGER into the trigger housing.
- Secure the trigger according to the manufacturer's specifications, ensuring all screws are tightened properly.

### 3. Adjustment

- Locate the adjustment screw on the trigger.
- Use the appropriate tool to adjust the pull weight. Turn the screw clockwise to increase weight and counterclockwise to decrease weight.
- Test the trigger after each adjustment by pulling it to ensure it functions correctly and safely.

### 4. Final Check

- Once installation and adjustments are complete, conduct a final inspection of the firearm and trigger.
- Perform a function check to ensure the trigger operates smoothly and safely.

## **Disposal Instructions**

- Dispose of any old triggers or components in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste. Check for designated disposal sites or programs in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the RELIANT HUNTER DROPIN TRIGGER, please refer to the manufacturer's website or customer support resources for assistance.

**Note:** This guide is designed to comply with the EU General Product Safety Regulation (GPSR) and is intended to enhance consumer safety. Always stay informed about product recalls and safety updates through official channels.
