

ARCALOCK QUICK DETACH CLAMP W/THREE POSITION LEVER RELEASE - AREA 419 ARCALOCK 3-LEVER CLAMP QUICK DETACH FOR 17S MOUNT BLACK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

It's the next major addition to the ARCALOCK family, the 3-position lever-release clamp. Since its release in 2018, ARCALOCK has been an industry-standard for fast, solid lockup between rifles and accessories. Now Area 419 are adding more options and versatility to that mounting with the QD Arcalock Clamp. KEY FEATURES 3-position reversible lever arm, milled from stainless steel, allowing you to choose between clamped, sliding, and fall-off. Steel adjustment knob, built for many years of reliable use Compatibility with existing accessories using 17S mounting footprint (Atlas and Thunderbeast Products, Two-Vets Tripods, Harris Bipod Adapter Kits, etc) NOTE: Not compatible with RCX Gen 2, the lever cannot fully actuate. Removable ARCALOCK pins, allowing for use with any ARCA rail 100% Made in America

ARCALOCK Quick Detach Clamp Safety Instructions

Introduction

Thank you for choosing the ARCALOCK Quick Detach Clamp with Three Position Lever Release by Area 419. This product is designed to provide a secure and versatile mounting solution for your rifles and accessories. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the clamp before each use for signs of wear or damage.
- Ensure that the clamp is properly secured to the mounting surface before attaching any accessories.
- Do not exceed the load capacity specified by the manufacturer.
- Keep the clamp and its components away from children and vulnerable individuals.
- Always use the clamp in accordance with the manufacturer's instructions.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper attachment may lead to accidental detachment of accessories.
 - Overloading the clamp can result in failure and potential injury.
- **Avoiding Hazards:**
 - Make sure the clamp is firmly locked in place before use.
 - Use only compatible accessories designed for the 17S mounting footprint.
 - Regularly check the adjustment knob and lever for proper function.
- **Age Specific Warnings:**
 - This product is not intended for use by children. Always supervise its use around minors.

Instructions for Installation and Usage

1. Installation:

- Ensure the mounting surface is clean and free of debris.
- Align the ARCALOCK Quick Detach Clamp with the mounting holes.
- Secure the clamp using the appropriate hardware provided by the manufacturer.
- Tighten the steel adjustment knob until the clamp is firmly secured.

2. Usage:

- To engage the clamp, pull the lever arm to the desired position (clamped, sliding, or falloff).
- Always check that the lever arm is fully engaged in the correct position before use.
- When detaching accessories, ensure the lever is released slowly to prevent sudden movements.

Disposal Instructions

- Dispose of the ARCALOCK Quick Detach Clamp in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management service for guidance on proper disposal.

Contact Information for Further Support

For any questions or concerns regarding the ARCALOCK Quick Detach Clamp, please reach out to the manufacturer or your local retailer for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your ARCALOCK Quick Detach Clamp.
