

# SCOPE RAIL PICATINNY FOR RUGER® 10/22 STANDARD CARBINE - AREA 419 SCOPE RAIL 30MOA FOR RUGER 10/22 PICATINNY BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

After being asked by precision 22 competitors for years, Area 419 are pleased to roll out a precision scope base for Ruger 10/22 receivers. This design, made from a single piece of T7075 aluminum and machined in house on Area 419's Haas VF4SS 4 axis machining center is designed to fit precisely, and strong enough that your rimfire will never budge it - all while providing the elevation you need for longer shots. Bases will come Type III black hardcoat anodized and will come with the necessary wrench for torquing the clamp screws. Recommended torque spec: 15 in/lb The rail comes in a 30MOA cant as it is meant for guys pushing their 22LRs out to 300+ yards or using optics with a minimum of 60MOA internal elevation, zeroing at 50y, as well as 15MOA for more typical use. Area 419 added real estate to the front of the rail to allow you to move your optic forward. This helps on higher powered scopes when coupled with the smaller stocks that are normal on a rimfire.

## Attributes

- Name: [AREA 419 SCOPE RAIL 30MOA FOR RUGER 10/22 PICATINNY BLACK](#)
- Manufacturer: [AREA 419](#)
- Product no.: 430107276
- Mfr. No.: 419-ISR-1022-30
- Colour: Black
- Elevation: 30 MOA
- Material: Aluminum
- Model: 10/22 Carbine
- Number of Bases: 1-Piece
- Style: Direct Thread
- Weapon type: Ruger
- Delivery weight: 0.091kg
- Shipping height: 25mm
- Shipping width: 25mm
- Shipping length: 216mm
- UPC: 810080181137

# Safety Instruction Guide for SCOPE RAIL PICATINNY FOR RUGER® 10/22 STANDARD CARBINE

## Introduction

Thank you for choosing the SCOPE RAIL PICATINNY FOR RUGER® 10/22 STANDARD CARBINE by AREA 419. This guide provides essential safety instructions, installation procedures, and usage recommendations to ensure safe and effective operation of your scope rail. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that all safety precautions are followed when handling and using the scope rail.
- Always use the product in accordance with the manufacturer's instructions.
- Inspect the product for any signs of damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the recommended torque specification of 15 in/lb when securing the scope rail.
- Ensure that the scope rail is installed correctly to avoid any misalignment that could affect accuracy.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- Use appropriate eye and ear protection when operating firearms equipped with the scope rail.
- Do not exceed the intended use of the product; it is designed specifically for Ruger 10/22 receivers.
- Avoid using the product in extreme weather conditions that may affect its performance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction before beginning installation.
- Use the provided wrench to attach the scope rail securely to the Ruger 10/22 receiver.
- Align the rail properly to ensure that it is straight and level.
- Tighten the screws to the recommended torque specification of 15 in/lb.
- Doublecheck the installation to ensure that the rail is secure and stable.

### 2. Usage

- Once installed, mount your optic according to the manufacturer's instructions for the optic.
- Adjust the elevation settings as necessary for your shooting distance.
- Always check the zero of your optic after installation to ensure accuracy.
- Regularly inspect the scope rail and optic for any signs of wear or damage during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of any part of the product in regular household waste.
- For guidance on proper disposal methods, consult local waste management authorities.

## **Contact Information for Further Support**

For any questions or concerns regarding the use and safety of your SCOPE RAIL PICATINNY FOR RUGER® 10/22 STANDARD CARBINE, please refer to the manufacturer's website or contact their customer support.

Thank you for taking the time to ensure your safety and the proper use of this product. Enjoy your shooting experience with the SCOPE RAIL PICATINNY FOR RUGER® 10/22 STANDARD CARBINE by AREA 419.
