Safety Instruction Guide for Bushing Full Length Ultra Micrometer Die Set

Introduction

Thank you for choosing the Bushing Full Length Ultra Micrometer Die Set by Forster Products, Inc. This guide provides essential safety instructions and guidelines to ensure the proper and safe use of your die set. Please read this document carefully before using the product.

General Safety Guidelines

- Always handle the die set with care to avoid injury.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Use the die set only for its intended purpose, which is reloading ammunition for the 338 Lapua cartridge.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of damage or wear.
- If you notice any defects, discontinue use immediately and contact customer support.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the die set.
- Be aware of the potential hazards of reloading ammunition, including the risk of explosion or injury from improper handling.
- Follow all manufacturer instructions regarding the use of the die set and the reloading process.
- Do not exceed recommended load specifications when reloading ammunition.
- Ensure that the work area is free from flammable materials when using the die set.

Instructions for Installation and Usage

1. Unpacking the Die Set

- Carefully remove the die set from the packaging.
- Inspect all components for damage or missing parts.

2. Setting Up the Die Set

- Securely mount the die set in a compatible reloading press.
- Adjust the FullLength Bushing Die to the desired depth based on your reloading specifications.
- Install the Ultra Micrometer Seater Die according to the manufacturer's instructions.

3. Reloading Process

- Follow the recommended reloading procedures for the 338 Lapua cartridge.
- Use the appropriate bushing for resizing based on the specifications of your ammunition.
- After resizing, check the dimensions of the cartridge to ensure they meet safety standards.

4. Storage

- Store the die set in a cool, dry place when not in use.
- Keep the die set in the Deluxe Die Box to protect it from dust and damage.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the die set is no longer usable, dispose of it responsibly, ensuring that it does not pose a hazard to others.
- Check with local waste management facilities for proper disposal methods for metal products.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact the customer service department directly. Ensure that you have your product details available for a more efficient response.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and effective reloading experience.
