# Safety Instruction Guide for BUSHING FULL LENGTH ULTRA MICROMETER DIE SET

## Introduction

Thank you for choosing the BUSHING FULL LENGTH ULTRA MICROMETER DIE SET from Forster Products, Inc. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read and follow these guidelines carefully.

## General Safety Guidelines

- Ensure that all users are familiar with the operation of reloading equipment and safety practices.
- Always wear appropriate safety gear, including safety glasses, when using this product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage before use.
- Store the die set in a secure location to prevent unauthorized access.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- Use only compatible cartridges with this die set. The BUSHING FULL LENGTH DIE SET is specifically designed for the 6 mm BR cartridge.
- Do not exceed the recommended load specifications outlined in your reloading manual.
- Ensure that the workspace is clean and organized to prevent accidents.
- Avoid distractions while using the die set to maintain focus and control.
- If you experience any malfunctions or unexpected behavior during use, stop immediately and inspect the equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is securely mounted and stable.
- Follow the manufacturer's instructions to install the FullLength Bushing Die and the Bench Rest® Ultra Micrometer Seater Die.
- Verify that the dies are properly aligned and tightened before use.

### 2. Usage:

- Refer to your reloading manual for specific instructions on preparing cases and loading ammunition.
- Use the FullLength Bushing Die to resize cases as needed, ensuring proper adjustment for the desired neck tension.
- Utilize the Bench Rest® Ultra Micrometer Seater Die for precise bullet seating, following the recommended procedures.
- Monitor the reloading process closely to ensure consistency and safety.

## Disposal Instructions

- Dispose of any damaged or worn components of the die set in accordance with local waste disposal regulations.
- Do not dispose of any reloading materials or hazardous substances in regular trash. Follow local guidelines for hazardous waste disposal.

## Contact Information for Further Support

For any inquiries or safety concerns regarding the BUSHING FULL LENGTH ULTRA MICROMETER DIE SET, please contact the appropriate local authorities or refer to the manufacturer's website for additional support.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable reloading experience with your BUSHING FULL LENGTH ULTRA MICROMETER DIE SET. Thank you for prioritizing safety in your reloading activities.
