# Safety Instruction Guide for BUSHING FULL LENGTH ULTRA MICROMETER DIE SET

## Introduction

Thank you for choosing the BUSHING FULL LENGTH ULTRA MICROMETER DIE SET by Forster Products, Inc. This guide provides essential safety instructions and recommendations for the safe use, installation, and disposal of this product. Please read the entire manual carefully before use to ensure safety and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the die set is used in accordance with the manufacturer's instructions.
- Inspect the product for any visible damage before use. Do not use damaged equipment.
- Keep the die set out of reach of children and vulnerable individuals.
- Use the die set only for its intended purpose, which is the reloading of 6.5 x 47 mm Lapua cartridges.
- Store the die set in a dry and secure location to prevent accidental damage or misuse.
- Report any unsafe products or accidents to the relevant authorities immediately.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Ensure that the work area is wellventilated and free from flammable materials.
- Be cautious of sharp edges and moving parts when handling the die set.
- Avoid distractions while using the die set to maintain focus and precision.
- Follow all local laws and regulations regarding ammunition reloading and safety.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that your reloading press is securely mounted and stable.
2. Remove the bushing die from the packaging and inspect it for any damage.
3. Insert the bushing die into the reloading press according to the manufacturer's instructions.
4. Secure the die in place using the provided locking mechanism.

### • Usage:

1. Prepare your workspace by gathering all necessary materials, including cartridges, powder, and primers.
2. Adjust the bushing die to the desired size by selecting the appropriate bushing.
3. Follow the steps for resizing and seating the cartridges as outlined in the reloading manual.
4. After reloading, inspect each cartridge for proper assembly and safety.
5. Clean the die set after use to maintain its functionality and longevity.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the die set becomes damaged beyond repair, dispose of it in a manner that complies with local waste disposal regulations.
- Do not dispose of any reloaded ammunition or components in regular household waste. Follow local laws for the disposal of ammunition.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please reach out to the designated contact point provided by the manufacturer or your local distributor. Always ensure that you have the latest information regarding recalls and safety updates through the EU Safety Gate platform.

Thank you for your attention to these safety guidelines. Your adherence to these instructions will help ensure a safe and enjoyable reloading experience.
