

MCX SUPER CHARGING HANDLE - GEISSELE AUTOMATICS MCX SUPER CHARGING HANDLE BLACK

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

MCX Super Charging Handle (SCH®) The MCX Super Charging Handle (SCH®) is 3D machined from a solid block of aircraft grade 7075-T6 aluminum and made specifically for Sig Sauer's MCX platform. Its ambidextrous design allows for seamless operation from either side of the weapon. The levers are dual contoured similar to that of the charging handle of an M14, where not only the x-axis but also the y-axis receive radius cuts. The handling surface of the lever is also checkered, adding a textured grip aiding to the use when operating with gloves. The heightened rear lip of the MCX SCH® aids in mitigating gas blow back to the shooter when shooting with short barreled and suppressed weapon systems. All parts are then Type 3 Hardcoat anodized and are available in Black.

Attributes

- Name: [GEISSELE AUTOMATICS MCX SUPER CHARGING HANDLE BLACK](#)

MCX Super Charging Handle Safety Instruction Guide

Introduction

Thank you for choosing the MCX Super Charging Handle (SCH®) by Geissele Automatics. This safety instruction guide is designed to provide you with essential information regarding the safe use, installation, and maintenance of your charging handle. Please read this guide carefully to ensure safe and effective operation.

General Safety Guidelines

- Always ensure the weapon is unloaded before handling the charging handle.
- Use the charging handle only with the Sig Sauer MCX platform.
- Inspect the charging handle for any signs of damage or wear before each use.
- Keep the charging handle and weapon out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure your hands are dry and clean to maintain a proper grip on the charging handle.
- When operating the charging handle, keep your fingers clear of the ejection port and other moving parts.
- Use gloves if necessary, as the checkered surface of the handle is designed for improved grip.
- Be aware of the heightened rear lip, which aids in reducing gas blowback; position your face away from the ejection port during operation.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Steps

1. **Ensure Safety:** Confirm that the weapon is unloaded and pointed in a safe direction.
2. **Remove Old Charging Handle:** If applicable, remove the existing charging handle by following the manufacturer's instructions.
3. **Align the Charging Handle:** Position the MCX Super Charging Handle (SCH®) so that it aligns with the receiver.
4. **Insert the Charging Handle:** Gently push the charging handle into the receiver until it is securely in place.
5. **Test Functionality:** Pull the charging handle back to ensure it operates smoothly and locks into position.

Usage Instructions

- To charge the weapon, grasp the charging handle lever firmly and pull it back smoothly.
- Release the lever to allow it to return to its original position.
- Always check the chamber to ensure it is clear before firing.

Disposal Instructions

- Dispose of the MCX Super Charging Handle in accordance with local regulations regarding aluminum and firearm accessories.
- Do not dispose of the charging handle in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MCX Super Charging Handle, please refer to the manufacturer or authorized dealer for assistance. Always ensure you have the most current information regarding safety recalls and product updates.

Conclusion

Your safety and the safety of others is paramount when using firearm accessories. By following the guidelines and instructions outlined in this guide, you can ensure a safe and effective experience with your MCX Super Charging Handle. Thank you for your attention to these important safety measures.
