# AR308 Ejection Port Cover Assembly Safety Instructions

## Introduction

Thank you for choosing the AR308 Ejection Port Cover Assembly by LUTHAR. This highquality accessory is designed to enhance the performance of your firearm by providing reliable protection against dirt and debris entering the chamber. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the firearm is unloaded before installing or handling the ejection port cover assembly.
- Always follow the manufacturer's instructions for your specific firearm model.
- Store the assembly in a safe location, away from children and unauthorized users.
- Inspect the ejection port cover assembly regularly for signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use only compatible firearms with the AR308 Ejection Port Cover Assembly.
- Avoid using the firearm in wet or muddy conditions without the ejection port cover properly installed.
- Do not attempt to modify or alter the ejection port cover assembly.
- Ensure that all components (cover, pin, and spring) are properly secured before use.
- Keep fingers and other body parts clear of the ejection port when operating the firearm.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded.
- Remove any existing ejection port cover if applicable.
- Align the 308UR05 Ejection Port Cover with the ejection port on the upper receiver.
- Insert the 308UR03 Ejection Port Cover Pin through the designated hole to secure the cover in place.
- Attach the Ejection Port Cover Spring to ensure proper functioning of the cover.

### 2. Usage

- Check that the ejection port cover opens and closes smoothly.
- Regularly inspect the assembly during routine firearm maintenance.
- If the cover does not operate correctly, remove it and check for any obstructions or damages.

## Disposal Instructions

- Dispose of the ejection port cover assembly in accordance with local regulations.
- If the assembly is damaged beyond repair, ensure it is safely discarded to prevent any potential hazards.

## Contact Information for Further Support

For any inquiries regarding the AR308 Ejection Port Cover Assembly, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for additional resources

and support.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation while using the AR308 Ejection Port Cover Assembly. Enjoy your enhanced shooting experience!
