Introduction

Thank you for choosing Carlson's Magazine Extension Tubes for your Winchester/Browning shotgun. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always treat your shotgun and its accessories as if they are loaded.
- Ensure that the extension tube is compatible with your specific shotgun model.
- Keep the magazine extension tube out of reach of children and unauthorized users.
- Regularly inspect the magazine extension for signs of wear or damage before use.
- Follow all local laws and regulations regarding shotgun modifications and usage.
- In case of any malfunctions or unusual behavior, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may cause malfunction or injury.
 - Failure to follow instructions can lead to accidents.
- **Avoiding Hazards:**
 - Ensure the shotgun is unloaded during installation.
 - Use only the recommended spring and follower for your magazine extension.
 - Do not exceed the maximum capacity of the magazine extension.
 - Always check that the magazine extension is securely attached before firing.
- **Age Restrictions:**
 - This product is intended for use by adults only. Ensure that minors are supervised when handling firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is completely unloaded.
- Remove the existing magazine cap by turning it counterclockwise.
- Carefully attach the magazine extension tube by screwing it onto the magazine tube of your shotgun.
- Install the provided spring into the magazine extension.
- If applicable, install the high visibility follower or use the factory follower as directed.
- Secure the base clamp with the swivel stud to ensure stability.
- Doublecheck that all components are properly installed and secure.

2. Usage:

- Load the magazine extension to the desired capacity, ensuring not to exceed the maximum number of rounds.
- When ready to fire, ensure your shotgun is pointed in a safe direction.
- Always engage the safety mechanism when not in use.
- After use, ensure the shotgun is unloaded and clean the magazine extension as needed.

Disposal Instructions

- Dispose of the magazine extension tube responsibly by following local regulations for metal recycling.
- Do not dispose of any components in regular household waste.
- If the product is damaged beyond repair, contact your local waste management authority for proper disposal guidelines.
