# Safety Instruction Guide for Flush Mount Replacement for Remington Choke Tubes

## Introduction

Thank you for choosing the Flush Mount Replacement for Remington Choke Tubes manufactured by Carlson's. This guide provides essential safety instructions to ensure the safe use of the product. Please read this guide carefully before using the choke tubes.

## General Safety Guidelines

- Ensure that the choke tubes are compatible with your Remington shotgun model.
- Always handle the choke tubes with care to avoid injury.
- Inspect the choke tubes before each use for any signs of damage or wear.
- Store the choke tubes in a cool, dry place away from direct sunlight.
- Follow all local laws and regulations regarding the use of shotgun chokes.

## Specific Safety Precautions for Use

- Only use Steel, Lead, and HeviShot with the choke tubes, adhering to the guidelines below:
  - No Steel shot larger than #BB or speeds exceeding 1550 fps should be used in choke tubes tighter than full.
  - No Steel Shot larger than #4 may be used in Turkey Choke Tubes.
- Do not exceed the recommended shot size and speed to prevent damage to the choke tubes and ensure safe operation.
- Always wear appropriate eye and ear protection while shooting.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that the area is clear of people and obstacles before firing.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the shotgun is unloaded and the safety is engaged before installation.
- Remove the existing choke tube from the shotgun using the appropriate tool if necessary.
- Carefully insert the new choke tube into the barrel, ensuring it is properly aligned.
- Tighten the choke tube securely using the tool provided, but do not overtighten.

### 2. Usage:

- Load the shotgun with the appropriate ammunition as per the guidelines above.
- Always check that the choke tube is securely installed before each use.
- Follow standard shooting practices, ensuring safety at all times.

## Disposal Instructions

- Dispose of the choke tubes responsibly. Do not discard them in regular household waste.
- Check local regulations for proper disposal methods of metal products.
- If the choke tubes are damaged or no longer usable, consider recycling them at a facility that accepts metal products.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the use of this product, please refer to the manufacturer's contact details provided with your purchase.

By following these guidelines, you can ensure a safe and enjoyable experience with your Flush Mount Replacement for Remington Choke Tubes. Thank you for your attention to safety!
