Safety Instruction Guide for FLUSH MOUNT REPLACEMENT FOR REMINGTON CHOKE TUBES CARLSONS FLUSH MOUNT 20 GA FULL FOR REMINGTON SS

Introduction

Thank you for choosing the FLUSH MOUNT REPLACEMENT FOR REMINGTON CHOKE TUBES by Carlson's. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use with Remington shotguns. Ensure that you follow all safety guidelines to avoid injury.
- **Enhanced Recalls:** In the event of a product recall, notifications will be made available. Please stay informed about any updates regarding this product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when this product is used around children or vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please refer to a designated EU contact point.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Use Appropriate Ammunition:**
 - Only use Steel, Lead, and HeviShot in all choke constrictions, except where noted.
 - Do not use Steel shot larger than #BB or speeds exceeding 1550 fps in choke tubes tighter than full.
 - Do not use Steel shot larger than #4 in Turkey Choke Tubes.
- **Inspect Product Before Use:** Check for any signs of damage or wear before installation. Do not use if damaged.
- **Follow Manufacturer's Guidelines:** Always adhere to the instructions provided by Carlson's regarding the use of this choke tube.
- **Avoid Modifications:** Do not alter or modify the choke tube in any way, as this may lead to unsafe conditions.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded before installation.
- Clean the choke threads and the muzzle of the shotgun to remove any debris.
- Handtighten the choke tube into the muzzle of the shotgun until snug. Do not overtighten.
- Verify that the choke tube is securely attached before use.

2. Usage:

- Always wear appropriate eye and ear protection when shooting.
- Use the choke tube only with compatible Remington shotguns.

- Follow all local laws and regulations regarding the use of firearms and ammunition.

Disposal Instructions

- Dispose of the choke tube in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling options where applicable.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the FLUSH MOUNT REPLACEMENT FOR REMINGTON CHOKE TUBES, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority.
