# Safety Instruction Guide for FLUSH MOUNT REPLACEMENT FOR REMINGTON CHOKE TUBES CARLSONS FLUSH MOUNT 12 GA IMPROVED CYLINDER

## Introduction

Thank you for choosing the FLUSH MOUNT REPLACEMENT for Remington Choke Tubes by Carlson's. This guide provides essential safety instructions, installation guidelines, and usage recommendations to ensure your safety and the optimal performance of your product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure safe use of the choke tubes by following all instructions.
- Be aware of the potential risks associated with improper use, including injury or damage to the shotgun.
- Always use the product in accordance with the manufacturer's recommendations.
- For online purchases, ensure that the platform complies with EU safety requirements.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Using steel shot larger than #BB or exceeding 1550 fps in choke tubes tighter than full can cause damage or failure.
  - Steel shot larger than #4 should not be used in Turkey Choke Tubes.
- **Avoiding Hazards:**
  - Only use compatible ammunition as specified in this guide.
  - Regularly inspect choke tubes for any signs of wear or damage before use.
  - Ensure that the choke tube is securely installed before shooting.
- **AudienceSpecific Warnings:**
  - This product is intended for adult users only. Keep out of reach of children.
  - Ensure that all users are trained in the safe handling and operation of firearms.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure the shotgun is unloaded and pointed in a safe direction.
  2. Remove the existing choke tube from the shotgun using the appropriate tool.
  3. Clean the threads of the choke tube housing to remove any debris.
  4. Carefully screw the new choke tube into the housing until it is handtight.
  5. Use the choke tube wrench to tighten the choke tube securely, but do not overtighten.
- **Usage:**

- Always check the choke tube before use to ensure it is properly installed.
- Load the shotgun with appropriate ammunition as specified.
- Follow all safety procedures for handling and firing the shotgun.
- After use, clean the choke tube and store it in a safe place.

## **Disposal Instructions**

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste. Instead, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries related to product safety or additional support, please refer to the manufacturer's website or contact their customer service department.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience responsibly!
