

# SIDELOK MODULAR MOUNT FOR TRIJICON® ACOG - KINETIC DEVELOPMENT GROUP LLC SIDELOK MODULAR MOUNT QD FOR TRIJICON ACOG BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

Sidelok is a groundbreaking Quick Detach (QD) mounting system for optics. It eliminates the need for tools, levers, or oversized knobs, offering a simple push button design for securely mounting any optic to a picatinny rail. The system guarantees to maintain zero and ensures continuous return to zero when remounted in the same position as when the optic was zeroed. With an additional safety feature to prevent unintentional movement or detachment of the optic, Sidelok represents the future of optics mounts. The Sidelok Modular ACOG mount offers a slim profile with a slightly raised base to assist with aiming and iron sight clearance. One very unique feature is that the Modular ACOG mount offer 2 different mounting positions to allow for a more forgiving eye relief. In the forward mounting position, the ACOG sits flush with the front of the mount having a similar, but taller, profile to the Trijicon TA51 mount. When the ACOG is mounted in the reward position, the ACOG has a reward cantilever allowing for clearance on most folded flip up iron sights. SPECS: Weight: 4.02 oz Finish: Black Anodized Compatibility: Fits all ACOG models (Excluding 6×48) | 1-8×28 VCOG Models (1-6×24 Not yet Confirmed)

## Attributes

- Name: [KINETIC DEVELOPMENT GROUP LLC SIDELOK MODULAR MOUNT QD FOR TRIJICON ACOG BLACK](#)
- Manufacturer: [KINETIC DEVELOPMENT GROUP LLC](#)
- Product no.: 430107996
- Mfr. No.: SID5-240
- Colour: Black
- Fits / Used For: Trijicon ACOG
- Weight: 0.251 lbs
- Delivery weight: 0.125kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 146mm

# Safety Instruction Guide for SIDELOK MODULAR MOUNT FOR TRIJICON ACOG

## Introduction

Thank you for choosing the SIDELOK Modular Mount for Trijicon ACOG. This guide provides important safety instructions and usage guidelines to ensure the safe operation and maintenance of your product. Please read this document carefully before using the mount. Adhering to these guidelines will help you avoid potential hazards and ensure a safe experience.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the mount out of reach of children and vulnerable individuals to prevent accidental use.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Do not modify or alter the mount in any way, as this may compromise safety and performance.
- Always follow local laws and regulations regarding the use of optical equipment and firearm accessories.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the mount is securely attached to the picatinny rail before use. A loose mount can lead to misalignment and potential injury.
- **Optic Handling:** Handle the optic carefully when installing or removing it from the mount. Avoid dropping or striking the optic.
- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with optics.
- **Environmental Considerations:** Avoid using the mount in extreme weather conditions that may affect its performance, such as heavy rain or extreme heat.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and ensure you have a clean workspace.
- Verify that the mount is compatible with your ACOG model (excluding 6x48).

### 2. Installation:

- Align the mount with the picatinny rail on your firearm.
- Press the push button to engage the mounting system securely.
- Ensure the mount is flush with the rail and does not wobble.
- Confirm that the optic is seated properly in the mount.

### 3. Usage:

- When aiming, ensure that your eye is aligned with the optic for optimal visibility.
- If using the forward mounting position, ensure that the ACOG is flush with the front of the mount.
- When using the rearward position, confirm that there is sufficient clearance for any folded flipup iron sights.

### 4. PostUse:

- After use, inspect the mount and optic for any signs of damage.
- Store the mount in a safe, dry place when not in use.

## **Disposal Instructions**

- Dispose of the mount in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the mount in household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please contact the manufacturer or your local distributor. Ensure that you provide them with the product details and any relevant information regarding your concerns.

By following these safety guidelines and instructions, you can ensure the safe and effective use of the SIDELOK Modular Mount for Trijicon ACOG. Thank you for your attention to safety.
