

# SRX3 RECEIVER EXTENSION FOR STRIBOG SP9 - KINETIC DEVELOPMENT GROUP LLC SRX6 RECEIVER EXTENSION 6" FOR STRIBOG SP9 BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Designed to fit the Stribog SP9 models with M-Lok receivers. The SRX was developed with the same mindset as the MREX rail lineup. Made from strong 6061-T6 aluminum, this durable receiver extension was built for comfort and ergonomics. The added 6 inches gives you an enhanced grip further down the Stribog while providing plenty of real estate for added accessories. The SRX was also designed around the option of adding a variety of suppressors, with plenty of ventilation to ensure a comfortable, cool grip even after extended suppressor use. SPECS: Length: 6.5 in Rail weight: 4.2 oz Overall weight: 6.2 oz Finish: Anodized black type 3 hard coat or FDE cerakote Material: 6061 T6 aircraft grade aluminum Internal diameter: 1.72 in INCLUDED: Rail Bridge (2) Bridge clamps Hardware kit Sticker QR code to installation instructions Tooling not included.

# Safety Instruction Guide for SRX3 Receiver Extension for Stribog SP9

## Introduction

Thank you for choosing the SRX3 Receiver Extension for Stribog SP9. This product is designed to enhance your firearm's functionality and ergonomics. However, it is essential to understand and follow safety guidelines to ensure safe usage. This guide provides vital information regarding safety, installation, usage, and disposal of your product.

## General Safety Guidelines

- Ensure the product is compatible with your Stribog SP9 model before installation.
- Always handle firearms and accessories with care, following all local laws and regulations.
- Inspect the product for any visible damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check the EU Safety Gate platform for recall updates related to this product.

## Specific Safety Precautions for Use

- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which could lead to accidents.
- **Usage:** Use the receiver extension only as intended. Do not modify or attempt to alter the product.
- **Grip Handling:** Ensure a firm grip on the receiver extension during use to maintain control.
- **Suppressor Use:** Be aware that suppressors can increase heat. Allow the product to cool down before handling after use with a suppressor.
- **Ventilation:** Ensure proper ventilation when using the product with suppressors to prevent overheating.

## Instructions for Installation and Usage

### 1. Installation:

- Gather the necessary tools for installation (not included).
- Remove any existing receiver extensions or accessories from your Stribog SP9.
- Align the SRX3 Receiver Extension with the MLoc slots on the receiver.
- Secure the extension using the provided bridge clamps and hardware kit.
- Ensure all screws and clamps are tightened adequately to prevent movement during use.

### 2. Usage:

- After installation, familiarize yourself with the grip and feel of the SRX3 Receiver Extension.
- Practice handling the firearm in a safe environment to ensure comfort and control.
- If using a suppressor, monitor the temperature of the receiver extension during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum and firearm accessories.
- If the product is damaged beyond repair, contact local waste management for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SRX3 Receiver Extension for Stribog SP9, please refer to the manufacturer's website or customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your SRX3 Receiver Extension. Thank you for your attention to safety.
