

SRX3 RECEIVER EXTENSION FOR STRIBOG SP9 - KINETIC DEVELOPMENT GROUP LLC SRX6 RECEIVER EXTENSION 6" FOR STRIBOG SP9 FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Designed to fit the Stribog SP9 models with M-Lok receivers. The SRX was developed with the same mindset as the MREX rail lineup. Made from strong 6061-T6 aluminum, this durable receiver extension was built for comfort and ergonomics. The added 6 inches gives you an enhanced grip further down the Stribog while providing plenty of real estate for added accessories. The SRX was also designed around the option of adding a variety of suppressors, with plenty of ventilation to ensure a comfortable, cool grip even after extended suppressor use. SPECS: Length: 6.5 in Rail weight: 4.2 oz Overall weight: 6.2 oz Finish: Anodized black type 3 hard coat or FDE cerakote Material: 6061 T6 aircraft grade aluminum Internal diameter: 1.72 in INCLUDED: Rail Bridge (2) Bridge clamps Hardware kit Sticker QR code to installation instructions Tooling not included.

SRX3 Receiver Extension Safety Instruction Guide

Introduction

Thank you for choosing the SRX3 Receiver Extension for your Stribog SP9. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is compatible with your specific model of the Stribog SP9 before use.
- Always inspect the product for any visible damage or defects before installation.
- Follow all manufacturer instructions for installation and usage to avoid potential hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunction or safety hazards.
 - Excessive heat from suppressors can cause burns; always allow adequate cooling time.
- **Avoiding Hazards:**
 - Ensure all components are securely attached before use.
 - Do not exceed the recommended weight limit for added accessories.
 - Use only compatible suppressors and accessories to maintain safety and performance.
- **AgeSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

- **Installation Steps:**
 1. Gather all necessary tools and components, ensuring you have the included rail bridge, bridge clamps, and hardware kit.
 2. Carefully read the installation instructions provided with the product.
 3. Align the SRX3 Receiver Extension with the MLoc slots on your Stribog SP9.
 4. Secure the extension using the bridge clamps and hardware, ensuring a tight fit.
 5. Doublecheck all connections for stability before proceeding to use.
- **Usage Instructions:**
 - Grip the SRX3 Receiver Extension firmly while handling your Stribog SP9.
 - Ensure that your hands are dry and free from any substances that may affect grip.
 - If using suppressors, monitor the temperature of the extension and allow it to cool as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and other materials.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling center.

Contact Information for Further Support

For any inquiries or concerns regarding the SRX3 Receiver Extension, please refer to the manufacturer's contact points provided in the product packaging or on the official website.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the SRX3 Receiver Extension for the Stribog SP9.
