Safety Instruction Guide for SIX PACK PRO SHELL PLATES LEE PRECISION #2L

Introduction

Thank you for choosing the SIX PACK PRO SHELL PLATES by LEE PRECISION. This guide provides important safety information and instructions to ensure safe usage of the product. Please read this guide carefully before using the shell plates.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe when used according to the provided instructions. Ensure you follow all guidelines to minimize risks.
- **Enhanced Recalls:** In case of any safety recalls, you will be notified through standardized notices. Ensure you stay informed about product recalls.
- **Online Shopping:** Whether you purchase this product online or in a physical store, the same safety standards apply. Ensure the seller meets all safety requirements.
- **Special Consumer Focus:** Extra care should be taken if the product is used by vulnerable groups, including children. Keep all products out of reach of children.
- **EU Contact Point:** For any safety inquiries or concerns, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay updated on any unsafe product alerts through the EU's Safety Gate system.

Specific Safety Precautions for Use

- Always inspect the shell plates before use. Check for any signs of damage or wear.
- Ensure that the shell plates are compatible with your reloading equipment and the cartridges specified.
- Use the shell plates only for their intended purpose as outlined in the product description.
- Wear appropriate safety gear, including safety glasses, when handling reloading equipment.
- Store the shell plates in a dry and secure location when not in use.
- Do not modify or alter the shell plates in any way.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Locate the shell plate holder on your reloading press.
- Align the shell plate with the holder and secure it according to the manufacturer's instructions.
- Doublecheck that the shell plate is firmly attached and properly aligned.

2. Usage:

- Load the appropriate cartridges as specified for each shell plate:
 - 91835 /1S: 38 SPECIAL, 357 MAG, ETC.
 - 91836 /2L: 45 ACP, 30/06, 308, 6.5 CREEDMOOR, 458 SOCOM

 - 91852 /19L: 10MM AUTO
- Follow the reloading process as per the reloading press instructions.
 - Ensure your workspace is clean and free from distractions while reloading.

Disposal Instructions

- Dispose of any damaged or worn shell plates responsibly. Do not throw them away with regular household waste.
- Check local regulations for proper disposal methods for metal products.
- If you are unsure how to dispose of the product, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's customer support or the designated EU contact point. Ensure you have the product information handy for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience with your SIX PACK PRO SHELL PLATES. Thank you for your attention to safety and responsible usage.
