## MAGWELL FOR GLOCK 17/22/31/34/35 GEN 5 BLACK

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

Guide your loaded magazine smoothly and quickly into the Glock pistol's grip with the sleek Tyrant Designs Glock Gen4 17/22/31/34/35/45 compatible Magwell. Made of high-quality materials, these carefully designed magwells make it so easy that with just a little practice, you can load a fresh magazine without ever looking at the pistol. Win competitions or defend yourself better with those added seconds. Increase your reloading speed In a competition, it can come down to microseconds. Speed is essential, no matter what the scenario, especially the time lapse between magazine changes. The enhanced ergonomics of their Tyrant Designs Glock-compatible Magwell will increase your loading speeds. Forward relief cuts provide comfort, and an aggressive funnel ensures your reloads will be quick and successful. You'll never fumble a magazine change again. In emergency situations, fumbles are the difference between life and death. In those events, these microseconds are even more important, and you never want to question if being faster might help in a self-defense scenario. How it all works The magwell adapter flares out to create a wider opening to guide the magazine into the firearm. Shaped like a funnel, it cuts down on the fumbling and the need for an exact aim to get the magazine into the firearm. Less fumbling equals faster reload speed. Designed to improve reloads Made of high-quality aluminum, these magwells designed for the Glock 17, 22, 31, 34, 35, and 45 provide weight to help improve your reloads. This weight also provides balance for your Glock. Never lose parts again with this one-piece design. Retention is more comfortable with a set screw, which is made of anodized aluminum. Functionality and retention are ensured by the underside cuts. Removal of faulty or stuck magazines will never be a problem because of the ramp and edge."

### Attributes

- Name: [TYRANT CNC MAGWELL FOR GLOCK 17/22/31/34/35 GEN 5 BLACK](#)
- Manufacturer: [TYRANT CNC](#)

# Safety Instruction Guide for MAGWELL FOR GLOCK® GEN5 17/22/31/34/35 TYRANT CNC MAGWELL

## Introduction

Thank you for choosing the MAGWELL FOR GLOCK® GEN5 17/22/31/34/35 TYRANT CNC MAGWELL. This guide provides essential safety instructions to ensure the safe use of this product. Please read this manual carefully before installation and usage to understand the safety precautions and proper handling of the magwell.

## General Safety Guidelines

- Ensure that the magwell is compatible with your Glock model (17, 22, 31, 34, 35) before installation.
- Always handle firearms safely, following the basic rules of firearm safety.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magwell for signs of wear or damage.
- If you experience any issues with the magwell, cease use immediately and consult a qualified gunsmith.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility:** Only use this magwell with Glock models 17, 22, 31, 34, and 35 Gen 5.
- **Installation:** Ensure the firearm is unloaded before installation. Follow the installation instructions carefully to avoid improper fitting.
- **Loading:** Practice loading magazines with the magwell in a safe environment to enhance your speed and efficiency.
- **Emergency Situations:** Be aware that in emergency scenarios, quick and efficient magazine changes can be critical. Familiarize yourself with the magwell's functionality to reduce fumbling.
- **Maintenance:** Regularly clean the magwell to prevent dirt and debris from affecting its performance.

## Instructions for Installation and Usage

### Installation

1. **Safety First:** Ensure that your Glock is unloaded. Remove the magazine and visually inspect the chamber.
2. **Align the Magwell:** Position the magwell adapter so that it aligns with the grip of your Glock.
3. **Secure the Magwell:** Use the provided set screw to secure the magwell in place. Ensure it is tightened adequately but avoid overtightening.
4. **Check for Stability:** Gently tug on the magwell to ensure it is securely attached and does not wobble.

### Usage

- **Loading the Magazine:** Insert the loaded magazine into the magwell. The funnel shape will guide the magazine into place.
- **Practice:** Spend time practicing magazine changes to become familiar with the magwell's functionality.
- **Emergency Procedures:** In case of a malfunction or if a magazine becomes stuck, use the ramp and edge of the magwell to assist in removing the magazine.

## **Disposal Instructions**

- Dispose of the magwell in accordance with local regulations regarding aluminum products.
- If the magwell is damaged or no longer usable, do not attempt to repair it. Instead, dispose of it properly to prevent any safety hazards.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MAGWELL FOR GLOCK® GEN5 17/22/31/34/35 TYRANT CNC MAGWELL, please refer to the manufacturer's contact information provided with your product documentation.

By following these safety instructions, you can enjoy the benefits of the MAGWELL FOR GLOCK® GEN5 while ensuring safe usage and handling. Thank you for your attention to safety.
