### **An Easy Mag Extension for Your Double-Stack Glock Magazines**

Even in your double-stack Glock handguns, having extra rounds on-board can be a game-changer. Whether for self-defense or competition, adding a few extra rounds can make the difference between winning or losing a fight or a match. Well, what if you had more than a few rounds? What if you had four or five extra rounds in your gun? Enter the Tyrant Designs Magazine Extensions for Glock G19 & G23. Each Tyrant Designs Magazine Extension adds five rounds to the 9mm G19 and four rounds to the G23, increasing the overall capacity of an OEM Glock magazine with an incredibly low amount of effort. Each extension can be installed onto your factory Glock magazine in fewer than 10 seconds! The Magazine Extensions for Glock G19 & G23 are all machined from aerospace-grade aluminum and are designed to function with the original factory magazine spring. The design features smooth, rounded edges, and the overall size matches the profile of your Glock's pistol grip. The overall length of the extension is 1.15 inches, and it measures .90 inch wide. The unit will add 1.3 ounces of weight.

# Safety Instruction Guide for +4/5 Magazine Extensions for Glock® 19 & 23

## Introduction

Thank you for choosing the +4/5 Magazine Extensions for Glock® 19 & 23 by Tyrant CNC. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read it carefully before installation and use.

## General Safety Guidelines

- Ensure that the magazine extension is compatible with your Glock model (19, 23, or 26).
- Always handle firearms and accessories with care and follow standard safety practices.
- Store the magazine extension in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine extension for any signs of damage or wear before use.
- Do not exceed the manufacturer's recommended capacity for your firearm.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the magazine extension.
- Do not attempt to modify or alter the magazine extension in any way.
- Use only the original factory magazine spring with the magazine extension.
- Avoid using the magazine extension in adverse conditions (e.g., extreme temperatures, moisture).
- If you experience any malfunctions during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded. Remove the factory magazine from the firearm.
2. **Remove Base Plate:** Press down on the base plate of the factory magazine and slide it off to expose the magazine spring.
3. **Attach Extension:** Align the magazine extension with the magazine body and slide it onto the magazine until it clicks into place.
4. **Check Fit:** Ensure the extension is securely attached and does not wobble.
5. **Reinsert Magazine Spring:** Ensure the magazine spring is correctly positioned within the magazine before reattaching the base plate.
6. **Final Check:** Inspect the magazine to ensure everything is properly installed and secure.

### Usage

- Load the magazine extension with the appropriate number of rounds (5 for G19, 4 for G23).
- Insert the magazine into the firearm, ensuring it locks into place.
- Always follow safe handling practices while using your firearm.

## Disposal Instructions

- Dispose of the magazine extension in accordance with local regulations.
- Do not throw the product in regular household waste. Instead, take it to a designated recycling facility if available.

- Ensure the product is rendered unusable before disposal to prevent any potential hazards.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the +4/5 Magazine Extensions for Glock® 19 & 23, please refer to the manufacturer's contact details included with your product packaging.

By following these guidelines, you can help ensure a safe and enjoyable experience with your magazine extension. Remember, safety is always the top priority when handling firearms and accessories. Thank you for your attention to these important instructions.
