Safety Instruction Guide for BRN22 Extractor

Introduction

Thank you for choosing the BRN22 Extractor from Brownells. This product is designed for reliable performance and compatibility with standard Ruger® 10/22® bolts. Please read this safety instruction guide carefully to ensure safe use and maintenance of your extractor.

General Safety Guidelines

- Always handle firearms and related components with care, following all safety protocols.
- Ensure that the extractor is installed correctly to avoid malfunctions.
- Keep the extractor and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the extractor for wear and damage to maintain safe operation.
- In case of any doubts or questions regarding the extractor, seek professional assistance.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the BRN22 Extractor is used only with Ruger® 10/22® bolts to avoid compatibility issues.
- **Material Safety:** The extractor is made from 174 PH Stainless Steel, which is durable but can still be damaged if mishandled.
- **Installation:** Follow installation instructions carefully. Improper installation may lead to firearm malfunction.
- **Use in Safe Environment:** Always operate firearms in a safe and controlled environment.
- **Protective Gear:** Wear appropriate protective gear, such as safety glasses, when handling firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing extractor from the Ruger® 10/22® bolt.
- Carefully install the BRN22 Extractor by aligning it with the designated slot on the bolt.
- Ensure that the extractor is securely in place and functions correctly before reassembling the firearm.

2. Usage:

- After installation, conduct a function check to ensure that the extractor operates correctly.
- Regularly clean and maintain the extractor to ensure optimal performance.
- If you notice any issues during use, cease operation immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the BRN22 Extractor in accordance with local regulations regarding metal recycling and hazardous materials.
- Do not dispose of the extractor in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or issues related to the BRN22 Extractor, please refer to the manufacturer's customer service

or support resources. It is important to ensure that you have access to assistance if needed.

By following these guidelines, you can ensure the safe and effective use of your BRN22 Extractor. Always prioritize safety and responsible handling of firearms and components. Thank you for your attention to these important safety instructions.
