Safety Instruction Guide for INFINITY APS Die Inserts

Introduction

Thank you for choosing the INFINITY APS Die Inserts from SHORT ACTION CUSTOMS, LLC. This safety instruction guide is designed to help you use the product safely and effectively. Please read this guide thoroughly before using the die inserts to ensure a safe and successful reloading experience.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Arbor style press before using the INFINITY APS Die Inserts.
- Always wear appropriate safety gear, including eye protection and gloves, while reloading.
- Keep all components and tools out of reach of children and pets.
- Inspect the die inserts for any damage or wear before each use. Do not use damaged components.
- Follow all local laws and regulations regarding ammunition reloading and handling.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always doublecheck that the correct Cartridge Base Insert is selected for your specific cartridge type.
- Ensure that the Arbor press is securely mounted and stable before use.
- Avoid overtightening the die inserts, as this may lead to damage or malfunction.
- Use only recommended bullet types and weights as specified for each Cartridge Base Insert.
- Do not attempt to modify or alter the die inserts in any way.
- Store die inserts in a dry and secure location when not in use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components, including the Arbor press, die inserts, bullet seating stems, and cartridge cases.
- Ensure that your workspace is clean and organized.

2. Installation:

- Select the appropriate Cartridge Base Insert based on the cartridge family you are using (refer to the product specifications).
- Insert the Cartridge Base Insert into the Arbor press following the manufacturer's instructions.
- Attach the bullet seating stem that corresponds to your bullet type.

3. Usage:

- Place a cartridge case into the Arbor press.
- Align the bullet above the cartridge case and gently lower the press handle to seat the bullet.
- Monitor the seating depth and make adjustments as necessary.
- Remove the completed cartridge from the press and inspect for proper bullet seating.

4. PostUsage:

- Clean the die inserts and Arbor press after each use to prevent residue buildup.

- Store the die inserts in their designated storage case to protect them from damage.

Disposal Instructions

- Dispose of any damaged or unusable die inserts in accordance with local regulations.
- Check with local waste management authorities for specific disposal guidelines on metal and plastic components.
- Do not dispose of die inserts in regular household waste if they are considered hazardous.

Contact Information for Further Support

For any inquiries regarding the INFINITY APS Die Inserts, please refer to the contact details provided on the product packaging or visit the manufacturer's website for more information.

Thank you for your attention to these safety guidelines. Following these instructions will help ensure a safe and enjoyable reloading experience.
