

K-SPEC AR-15 A5-LENGTH HEAVY BUFFER & SPRING KIT - KAK INDUSTRY LLC. K-SPEC AR-15 A5-LENGTH H3 BUFFER/SPRING KIT 6.5OZ OD GREEN

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

Modern technology meets “tried and true”: K-SPEC buffers utilize an innovative captured compression system to absorb recoil and minimize muzzle rise - without any complex or expensive parts to wear down and fail. Paired with KAK Industry's flatwire spring, you have a simple drop-in replacement that eliminates bolt bounce, flattens muzzle rise, and smoothes out recoil. KAK Industry developed our K-SPEC buffer system to offer the best value in recoil mitigation, 100% made in America for a lifetime of dependable use. This kit includes an A5 length K-SPEC buffer, flatwire spring, and buffer install tool. Please note: This is intended only for use in A5-length buffer tubes!

Attributes

- Name: [KAK INDUSTRY LLC. K-SPEC AR-15 A5-LENGTH H3 BUFFER/SPRING KIT 6.5OZ OD GREEN](#)
- Manufacturer: [KAK INDUSTRY LLC.](#)

KSPEC AR15 A5Length Heavy Buffer & Spring Kit Safety Instructions

Introduction

Thank you for choosing the KSPEC AR15 A5Length Heavy Buffer & Spring Kit manufactured by KAK Industry LLC. This product is designed to enhance your shooting experience by providing reliable recoil mitigation. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are familiar with the operation of your AR15 rifle and its components before using this kit.
- Always follow the manufacturer's instructions and guidelines for your firearm.
- Keep this product and all related components out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- This kit is intended only for use in A5length buffer tubes. Using it in other buffer tube lengths may result in malfunction or injury.
- Ensure that the buffer and spring are correctly installed before using your firearm.
- Avoid using excessive force when installing or removing the buffer and spring.
- Be aware of the potential for bolt bounce and muzzle rise. This kit is designed to minimize these effects, but proper handling and usage are essential.
- Always wear appropriate safety gear, including eye and ear protection, when operating your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe condition.
- Gather the necessary tools for installation, including the buffer install tool provided in the kit.

2. Installation:

- Remove the existing buffer and spring from your A5length buffer tube.
- Install the KSPEC buffer into the buffer tube, ensuring it is seated properly.
- Insert the flatwire spring into the buffer tube, making sure it is aligned correctly.
- Use the buffer install tool to compress the spring and secure the buffer in place.

3. Usage:

- Once installed, perform a function check to ensure that the buffer and spring operate smoothly.
- Follow all standard safety procedures when operating your firearm.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product becomes damaged or is no longer usable, dispose of it in a manner that prevents it from

being used improperly.

- Contact your local waste management authority for guidance on the disposal of firearm components.

Contact Information for Further Support

- For any questions or concerns regarding the KSPEC AR15 A5Length Heavy Buffer & Spring Kit, please refer to the manufacturer's website or customer service resources. Ensure you have your product details ready for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your shooting experience with the KSPEC AR15 A5Length Heavy Buffer & Spring Kit!
