

K-SPEC AR-15 PCC CARBINE BUFFER TUBE KIT - KAK INDUSTRY LLC. K-SPEC AR-15 PCC CARBINE BUFFER TUBE KIT W/8.6 OZ BUFFER BLK

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

Modern technology meets “tried and true”: K-SPEC buffers utilize an innovative captured compression system to absorb recoil and minimize muzzle rise - without any complex or expensive parts to wear down and fail. Paired with KAK Industry’s flatwire spring and mil-spec carbine buffer tube, you have a complete buffer package for your pistol caliber carbine that eliminates bolt bounce, flattens muzzle rise, and smooths out recoil. KAK Industry developed their K-SPEC buffer system to offer the best value in recoil mitigation, 100% made in America for a lifetime of dependable use. This kit includes a steel K-SPEC buffer, flatwire spring, carbine buffer tube, and buffer install tool. For use with Pistol Caliber AR-15 firearms utilizing a one-piece BCG.

Attributes

- Name: [KAK INDUSTRY LLC. K-SPEC AR-15 PCC CARBINE BUFFER TUBE KIT W/8.6 OZ BUFFER BLK](#)
- Manufacturer: [KAK INDUSTRY LLC.](#)

KSPEC AR15 PCC Carbine Buffer Tube Kit Safety Instructions

Introduction

Thank you for choosing the KSPEC AR15 PCC Carbine Buffer Tube Kit from KAK Industry LLC. This product is designed to enhance your shooting experience by providing effective recoil mitigation. To ensure your safety and the proper functioning of your firearm, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that all components are compatible with your firearm before installation.
- Always handle firearms with care and follow basic firearm safety rules.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect all components for wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use this kit only with Pistol Caliber AR15 firearms utilizing a onepiece BCG.
- Do not exceed the manufacturer's recommended specifications for your firearm.
- Avoid using this kit in conjunction with any unauthorized modifications to your firearm.
- Wear appropriate safety gear, including eye and ear protection, when using your firearm.
- Ensure that the firearm is unloaded when installing or adjusting components.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation Instructions

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing buffer tube and spring from your firearm.
- Install the KSPEC carbine buffer tube by following these steps:
 - Align the buffer tube with the receiver.
 - Screw the buffer tube into place securely, ensuring no crossthreading occurs.
 - Insert the flatwire spring into the buffer tube.
 - Place the KSPEC buffer into the buffer tube.
- Use the buffer install tool to ensure proper seating of the buffer and spring.
- Doublecheck that all components are securely installed before proceeding.

2. Usage Instructions

- After installation, perform a function check to ensure the firearm operates correctly.
- Regularly clean and maintain your firearm and the buffer kit components to ensure longevity.
- Monitor the performance of the buffer kit during use and inspect for any signs of wear.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of components in regular household waste. Check for recycling options or hazardous waste disposal facilities.

Contact Information for Further Support

For any inquiries or concerns regarding the KSPEC AR15 PCC Carbine Buffer Tube Kit, please contact KAK Industry LLC through the appropriate channels for further support.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly!
