Safety Instruction Guide for AR15 9Position A5Length Buffer Tube

Introduction

Thank you for choosing the KAK Industry AR15 9Position A5Length Buffer Tube. This product is designed to enhance your shooting experience by providing adjustable stock positions for your AR15 platform. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and ammunition securely and out of reach of children.
- Use only compatible parts and accessories with your AR15 platform.
- Regularly inspect your equipment for wear and damage.
- Follow all local laws and regulations regarding firearm usage and modifications.

Specific Safety Precautions for Use

- Ensure that the buffer tube is securely attached before use.
- Do not exceed the manufacturer's recommended specifications for your firearm.
- Use the buffer tube only with milspec stocks designed for compatibility.
- Be aware of your surroundings when handling or using your firearm.
- If you notice any unusual sounds or malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing buffer tube if applicable.
- Align the KAK Industry A5Length Buffer Tube with the receiver extension.
- Securely fasten the buffer tube using the provided hardware.
- Ensure that the buffer tube is properly seated and locked in place.

2. Usage:

- Adjust the stock to your desired position by sliding it along the buffer tube.
- Ensure the stock is locked in position before firing.
- Regularly check the adjustment mechanism for functionality and security.

Disposal Instructions

- Dispose of the buffer tube in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support
