RSR2 Mount for Trijicon ACOG Safety Instruction Guide

Introduction

Thank you for choosing the RSR2 Mount for Trijicon ACOG by Samson Manufacturing Corp. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Always ensure that the RSR2 Mount is compatible with your specific Trijicon ACOG model before use.
- Inspect the product for any signs of damage or wear before installation or use.
- Keep the mount and any related accessories out of reach of children and vulnerable individuals.
- Do not use the mount if it appears damaged or if any components are missing.
- Follow all local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or adjusting the RSR2 Mount.
- Use appropriate tools to install the mount and avoid using excessive force that could damage the product or firearm.
- Do not modify the RSR2 Mount or use it in a manner not intended by the manufacturer.
- Regularly check the tightness of the mount to ensure it remains secure during use.
- If you experience any issues while using the mount, cease use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a screwdriver or wrench suitable for the mount's installation screws.
- Ensure your workspace is clean and free of distractions.

2. Installation Steps

- **Step 1:** Ensure the firearm is unloaded and pointed in a safe direction.
- **Step 2:** Remove the existing rear sight from your AK47, if applicable.
- **Step 3:** Position the RSR2 Mount onto the rear sight base, aligning it with the mounting holes.
- **Step 4:** Insert and handtighten the screws to secure the mount in place.
- **Step 5:** Use the appropriate tool to tighten the screws securely, ensuring not to overtighten.
- **Step 6:** Once installed, check that the mount is stable and does not wobble.

3. Usage Guidelines

- After installation, mount your Trijicon ACOG optic according to the manufacturer's instructions.
- Regularly check the mount and optic for any signs of loosening or wear during use.

Disposal Instructions

- Dispose of the RSR2 Mount in accordance with local regulations regarding metal recycling.
- Ensure that any packaging materials are disposed of responsibly.

- If the product is damaged beyond repair, consider contacting a local waste management facility for guidance on proper disposal.

Contact Information for Further Support

For any questions or concerns regarding the RSR2 Mount for Trijicon ACOG, please refer to the manufacturer's website or contact your local retailer. It is important to have support from qualified professionals to ensure safe use and installation of the product.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your experience with the RSR2 Mount for Trijicon ACOG.
