## DPB MUZZLE BRAKE 0.280 1/2-28 THREADS SQUARE SHOULDER BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

DPB MUZZLE BRAKES These fit the plan B type mounts. This is an updated version that has larger wrench flats on the rear. Always use an alignment rod to ensure that the entire system is set up correctly. Make sure all surfaces are cleaned and the muzzle device has been torqued and Rockset to the barrel. Use on a Q can voids your warranty, be warned. Torque the muzzle device to approximately 30 ft lbs. Make sure the muzzle device is square against the shoulder. When setting the silencer on the muzzle device, ensure that the threads and tapers are clean. Torque the suppressor to 10 ft lbs. Ensure alignment. Enjoy. The nitride finish does lead to a tighter seal, with that said, it is extremely important to torque and rockset your muzzle device to the barrel properly. FEATURES: 17-4 PH H900 Atlas and Atlas XL Compatible Plan B Compatible Atlas Adapter Overrun Approximately 1.600" Atlas XL Adapter Overrun Approximately 0.750" Black Nitride Finish (67 HRC Surface Hardness) Shims Included

### Attributes

# Safety Instruction Guide for DPB Muzzle Brake

## Introduction

Thank you for choosing the DPB Muzzle Brake from Rearden Manufacturing Group LLC. This guide provides essential safety instructions and usage information to ensure safe and effective operation of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the instructions provided.
- Always handle the muzzle brake with care, treating it as a precision component.
- Keep the muzzle brake out of reach of children and vulnerable individuals.
- Regularly inspect the muzzle brake for any signs of damage or wear.
- If you suspect any damage or malfunction, discontinue use immediately and seek professional advice.

## Specific Safety Precautions for Use

- Always use an alignment rod during installation to ensure proper setup.
- Ensure all surfaces are clean before attaching the muzzle device.
- Torque the muzzle device to approximately 30 ftlbs to ensure a secure fit.
- Ensure that the muzzle device is square against the shoulder to prevent misalignment.
- When attaching a silencer, ensure that the threads and tapers are clean.
- Torque the suppressor to 10 ftlbs to ensure proper alignment.
- Avoid using the muzzle brake on a Q can as it may void your warranty.
- The nitride finish provides a tighter seal; therefore, proper installation and torque are essential.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and alignment rod.
- Ensure that the area is clean and free of debris.

### 2. Installation:

- Clean the barrel surface thoroughly.
- Align the muzzle device with the barrel using the alignment rod.
- Handtighten the muzzle device onto the barrel.
- Use a torque wrench to tighten the muzzle device to approximately 30 ftlbs.
- Confirm that the muzzle device is square against the shoulder.

### 3. Attaching the Silencer:

- Clean the threads and tapers of both the muzzle device and silencer.
- Carefully thread the silencer onto the muzzle device.
- Use a torque wrench to tighten the suppressor to 10 ftlbs.
- Ensure that the silencer is properly aligned.

### 4. PostInstallation Check:

- Doublecheck all connections and ensure that everything is secure.
- Perform a function test to ensure proper operation.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the DPB Muzzle Brake, please refer to the product packaging or visit the manufacturer's website for further assistance.

## **Conclusion**

Following these safety instructions will help ensure safe and effective use of your DPB Muzzle Brake. Always prioritize safety and do not hesitate to seek professional assistance if needed. Thank you for your attention to these guidelines. Enjoy your product responsibly!
