DPB Muzzle Brake Safety Instructions

Introduction

Thank you for choosing the DPB Muzzle Brake by Rearden Manufacturing Group LLC. This product is designed for use with Plan B type mounts and ensures a secure and effective muzzle device installation. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure safe use of the DPB Muzzle Brake by following all safety instructions.
- Always use the product in accordance with local laws and regulations.
- Inspect the product regularly for signs of wear or damage before each use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Alignment Rod:** Always use an alignment rod to ensure proper setup of the entire system.
- **Surface Cleaning:** Ensure all surfaces are clean before installation to avoid improper fitting.
- **Torque Specifications:**
 - Torque the muzzle device to approximately 30 ftlbs.
 - Ensure the muzzle device is square against the shoulder.
 - Torque the suppressor to 10 ftlbs.
- **Warranty Warning:** Using the product with a Q can void your warranty. Please be cautious.
- **Nitride Finish:** The nitride finish provides a tighter seal but requires proper torque and Rockset to secure the muzzle device adequately.

Instructions for Installation and Usage

1. Preparation:

- Clean all surfaces of the barrel and muzzle device.
- Gather necessary tools, including a torque wrench and alignment rod.

2. Installation:

- Align the muzzle device with the barrel using the alignment rod.
- Ensure that the threads and tapers are clean before proceeding.
- Torque the muzzle device to approximately 30 ftlbs while ensuring it is square against the shoulder.

3. Setting the Silencer:

- Place the silencer on the muzzle device.
- Torque the suppressor to 10 ftlbs.
- Verify the alignment of the silencer and muzzle device.

4. Final Check:

- Doublecheck all torque specifications.
- Ensure that all components are securely attached.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact a local recycling facility for proper disposal methods.
