

TACTICAL CANTILEVERED 1-PIECE SCOPE MOUNTS - TACTICAL CANTILEVER 30MM DIA 39MM HIGH 20 MOA PICATINN MOUNT

TACTICAL CANTILEVERED 1-PIECE SCOPE MOUNTS When Area 419 set out to make the perfect scope mount, they knew what they needed to make something that was reliable and consistent at a degree you won't find anywhere else on the market. This led us down a rabbit-hole, ultimately arriving on a process that gets you final-bore matched rings, with raw aluminum internals, for a grip on your optic that is more reliable and more true than anything else made – as well as an incredible amount of robustness without adding unnecessary weight. Like most mounts, these begin as separate parts. Area 419 are making the bases and caps in batches. While many will make these parts, send them to anodize, and then just assemble, they produce around the extra steps. Once these parts return from anodize, they are fully assembled, placed back into specially produced rail fixtures, with the caps torqued to spec over specially made spacers (to give the rings space to torque down on the optic), and final-bored as sets in Area 419's world-class machining centers. Mounts are then brought off the machine in sets, QC'd and packaged, ensuring that you receive a mount that was finished perfectly. Is it overkill? Probably. But Area 419 think it's the right way. So that's what they are going to do. NOTE: All 1.54" (39mm) height mounts are a more traditional AR-style cantilever. KEY FEATURES CNC Milled in America from American 7075 Aluminum Raw aluminum, precision bored scope contact surfaces for maximum grip Final-bored in sets, and never fully disassembled after boring 8-9oz per mount, depending on model, balancing weight management and robustness Multiple accessory mounting points Separate rail clamping bars for maximum grab on the pic rail Inset clamping feet, allowing for maximum mounting adjustment and pic rail utility Steel guide pins between base and caps, aiding in alignment Custom nitrided stainless hardware

Attributes

- Name: TACTICAL CANTILEVER 30MM DIA 39MM HIGH 20 MOA PICATINN MOUNT
- Manufacturer: AREA 419
- Product no.: 430112768
- Mfr. No.: 419-TCM-303920
- Elevation: 20 MOA
- Finish: Black
- Height: 6"
- Length: 2"
- Scope Tube Diameter: 30mm
- Style: Picatinny
- Delivery weight: 0.68kg
- Shipping height: 76mm
- Shipping width: 152mm
- Shipping length: 241mm
- UPC: 810080182660

Sicherheitshinweise für die TACTICAL CANTILEVERED 1PIECE SCOPE MOUNTS

Einführung

Die TACTICAL CANTILEVERED 1PIECE SCOPE MOUNTS von Area 419 sind speziell entwickelt, um eine zuverlässige und konsistente Montage für deine Optik zu gewährleisten. Diese Anleitung bietet wichtige Sicherheitsinformationen, um eine sichere Verwendung und Installation zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Montage gemäß den Anweisungen in dieser Anleitung verwendest.
- Überprüfe regelmäßig die Montage auf Anzeichen von Beschädigungen oder Verschleiß.
- Halte die Montage außerhalb der Reichweite von Kindern und anderen schutzbedürftigen Personen.
- Verwende die Montage nur für den vorgesehenen Zweck und in Übereinstimmung mit den Herstelleranweisungen.
- Achte auf die spezifischen Sicherheitsvorkehrungen, die in den folgenden Abschnitten aufgeführt sind.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende nur die empfohlenen Werkzeuge für die Installation.
- Überprüfe die Festigkeit der Schrauben und Verbindungen nach der Installation.
- Vermeide übermäßige Kraftanwendung beim Anziehen der Kappen, um Beschädigungen zu vermeiden.
- Stelle sicher, dass die Montage korrekt auf der PicatinnySchiene sitzt, bevor du die Optik anbringst.
- Achte darauf, dass keine Teile lose sind, bevor du die Montage verwendest.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass alle Teile der Montage vorhanden sind.
- Reinige die PicatinnySchiene und die Kontaktflächen der Montage.

2. Installation:

- Platziere die Montage auf der PicatinnySchiene in der gewünschten Position.
- Verwende die mitgelieferten Schrauben, um die Montage an der Schiene zu befestigen.
- Ziehe die Schrauben gleichmäßig an, um eine sichere Verbindung zu gewährleisten.

3. Anbringung der Optik:

- Setze das Zielfernrohr auf die Montage.
- Stelle sicher, dass das Zielfernrohr korrekt ausgerichtet ist.
- Ziehe die Kappen gemäß den Spezifikationen an, um einen sicheren Halt zu gewährleisten.

4. Nach der Installation:

- Überprüfe die Montage und das Zielfernrohr auf festen Sitz.
- Führe einen Funktionstest durch, um sicherzustellen, dass die Montage stabil ist.

Entsorgungsanweisungen

- Entsorge die Verpackung und alle nicht mehr benötigten Teile gemäß den örtlichen Vorschriften für

Recycling und Abfallentsorgung.

- Stelle sicher, dass keine schädlichen Materialien in die Umwelt gelangen.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zur Sicherheit der TACTICAL CANTILEVERED 1PIECE SCOPE MOUNTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Bitte beachte, dass diese Anleitung wichtige Sicherheitsinformationen enthält. Halte dich an die Anweisungen, um eine sichere Verwendung der Montage zu gewährleisten.

Safety Instruction Guide for TACTICAL CANTILEVERED 1PIECE SCOPE MOUNTS

Introduction

Thank you for choosing the TACTICAL CANTILEVERED 1PIECE SCOPE MOUNTS. This guide provides important safety information, installation instructions, and usage guidelines to ensure safe and effective use of the product. Please read this guide carefully before using the scope mount.

General Safety Guidelines

- Ensure that the scope mount is compatible with your firearm and scope before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the scope mount and all related components out of reach of children and unauthorized users.
- Inspect the scope mount regularly for signs of wear or damage. Do not use if any components are compromised.
- Always use the scope mount in accordance with the manufacturer's specifications and recommendations.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always make sure your firearm is unloaded before installing or adjusting the scope mount.
- Use proper tools as specified in the installation instructions to avoid damaging the scope mount or your firearm.
- Ensure that all screws and fasteners are tightened to the specified torque settings to prevent loosening during use.
- Avoid overtightening, which can damage the scope mount or the firearm.
- Be aware of any potential obstructions when mounting the scope to ensure a clear line of sight.
- If you experience any difficulty during installation, consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure your firearm is unloaded and in a safe position.

2. Mounting the Base:

- Position the base of the scope mount on the picatinny rail of your firearm.
- Align the base with the desired mounting position.

3. Securing the Base:

- Using the provided screws, secure the base to the picatinny rail.
- Tighten screws to the specified torque setting to ensure a secure fit.

4. Attaching the Scope:

- Place the scope into the rings of the mount.
- Adjust the position of the scope for optimal eye relief and alignment.

5. **Securing the Scope:**

- Tighten the caps over the scope rings to secure the scope in place.
- Ensure that the caps are torqued to the specified settings.

6. **Final Checks:**

- Inspect all components for proper installation and alignment.
- Check that all screws are tightened and secure.

Usage Guidelines

- Always verify that the scope is securely mounted before use.
- Regularly check the tightness of the scope mount and scope during use.
- Avoid exposing the scope mount to extreme conditions that may affect its performance.

Disposal Instructions

- Dispose of the scope mount and any associated packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal facilities.

Contact Information for Further Support

For any questions or concerns regarding the TACTICAL CANTILEVERED 1PIECE SCOPE MOUNTS, please refer to the manufacturer's contact information provided on the product packaging or documentation.

Thank you for your attention to these safety guidelines. Proper use and care will enhance your experience with the TACTICAL CANTILEVERED 1PIECE SCOPE MOUNTS. Stay safe and enjoy your shooting experience!
