

TACTICAL CANTILEVERED 1-PIECE SCOPE MOUNTS - TACTICAL CANTILEVER 36MM DIA 39MM HIGH 20 MOA PICATINN MOUNT

TACTICAL CANTILEVERED 1-PIECE SCOPE MOUNTS When Area 419 set out to make the perfect scope mount, they knew what they needed to make something that was reliable and consistent at a degree you won't find anywhere else on the market. This led us down a rabbit-hole, ultimately arriving on a process that gets you final-bore matched rings, with raw aluminum internals, for a grip on your optic that is more reliable and more true than anything else made – as well as an incredible amount of robustness without adding unnecessary weight. Like most mounts, these begin as separate parts. Area 419 are making the bases and caps in batches. While many will make these parts, send them to anodize, and then just assemble, they produce around the extra steps. Once these parts return from anodize, they are fully assembled, placed back into specially produced rail fixtures, with the caps torqued to spec over specially made spacers (to give the rings space to torque down on the optic), and final-bored as sets in Area 419's world-class machining centers. Mounts are then brought off the machine in sets, QC'd and packaged, ensuring that you receive a mount that was finished perfectly. Is it overkill? Probably. But Area 419 think it's the right way. So that's what they are going to do. NOTE: All 1.54" (39mm) height mounts are a more traditional AR-style cantilever. KEY FEATURES CNC Milled in America from American 7075 Aluminum Raw aluminum, precision bored scope contact surfaces for maximum grip Final-bored in sets, and never fully disassembled after boring 8-9oz per mount, depending on model, balancing weight management and robustness Multiple accessory mounting points Separate rail clamping bars for maximum grab on the pic rail Inset clamping feet, allowing for maximum mounting adjustment and pic rail utility Steel guide pins between base and caps, aiding in alignment Custom nitrided stainless hardware

Attributes

- Name: TACTICAL CANTILEVER 36MM DIA 39MM HIGH 20 MOA PICATINN MOUNT
- Manufacturer: AREA 419
- Product no.: 430112780
- Mfr. No.: 419-TCM-363920
- Elevation: 20 MOA
- Finish: Black
- Height: 6"
- Length: 2"
- Scope Tube Diameter: 36mm
- Style: Picatinny
- Delivery weight: 0.68kg
- Shipping height: 76mm
- Shipping width: 152mm
- Shipping length: 241mm
- UPC: 810080182738

Sicherheitshinweise für die TACTICAL CANTILEVERED 1PIECE SCOPE MOUNTS

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der TACTICAL CANTILEVERED 1PIECE SCOPE MOUNTS von Area 419. Diese Montage wurde entwickelt, um eine sichere und zuverlässige Befestigung deines Zielfernrohrs zu gewährleisten. Bitte lies diese Sicherheitshinweise sorgfältig durch, um die sichere Nutzung des Produkts zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Montage nur für den vorgesehenen Zweck verwendest.
- Halte die Montage und alle Zubehörteile außerhalb der Reichweite von Kindern.
- Achte darauf, dass die Montage in einem trockenen und sauberen Bereich aufbewahrt wird, um Korrosion und Beschädigungen zu vermeiden.
- Überprüfe regelmäßig die Montage auf Anzeichen von Verschleiß oder Beschädigung.
- Melde unsichere Produkte oder Unfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende die Montage nur mit kompatiblen Zielfernrohren. Überprüfe den Durchmesser des Zielfernrohrs (36mm) und die Höhe (39mm), um sicherzustellen, dass sie passen.
- Achte darauf, dass die Montage korrekt auf der PicatinnySchiene befestigt ist, um ein Verrutschen oder Lösen während des Gebrauchs zu vermeiden.
- Überprüfe die Schrauben regelmäßig auf Festigkeit und ziehe sie bei Bedarf nach.
- Vermeide es, die Montage übermäßig zu belasten oder zu fallen zu lassen.

Anweisungen zur Installation und Nutzung

1. Vorbereitung der Montage:

- Stelle sicher, dass alle Teile vorhanden sind und keine Beschädigungen aufweisen.
- Reinige die Kontaktflächen der Montage und der PicatinnySchiene gründlich.

2. Installation:

- Platziere die Montage auf der PicatinnySchiene in der gewünschten Position.
- Ziehe die Kappen gemäß den Spezifikationen über die Unterlegscheiben an, um den Ringen Platz zu geben, um auf der Optik anzuziehen.
- Achte darauf, dass die Stahlführungsstifte zwischen Basis und Kappen korrekt ausgerichtet sind.

3. Überprüfung:

- Überprüfe nach der Installation, ob die Montage fest sitzt und keine Bewegung aufweist.
- Führe eine Sichtprüfung durch, um sicherzustellen, dass alle Teile ordnungsgemäß montiert sind.

4. Nutzung:

- Verwende die Montage nur in Verbindung mit einem geeigneten Zielfernrohr.
- Achte darauf, dass du die Montage während des Gebrauchs nicht überlastest.

Entsorgungsanweisungen

- Entsorge die Montage und alle Zubehörteile gemäß den örtlichen Vorschriften für Elektroschrott und Metallabfälle.
- Stelle sicher, dass alle Materialien umweltgerecht entsorgt werden, um die Umwelt zu schützen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu deinem Produkt kannst du dich an den Hersteller wenden, um sicherzustellen, dass du alle notwendigen Informationen erhältst.

Vielen Dank, dass du die TACTICAL CANTILEVERED 1PIECE SCOPE MOUNTS gewählt hast. Wir wünschen dir eine sichere und erfolgreiche Nutzung!

Safety Instruction Guide

Introduction

Thank you for choosing the TACTICAL CANTILEVERED 1PIECE SCOPE MOUNTS. This guide provides important safety instructions to ensure the safe and effective use of your scope mount. Please read this guide carefully before installation and use.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in accordance with EU regulations. Ensure that you follow all safety instructions.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates on unsafe products.

Specific Safety Precautions for Use

- **Inspection:** Before each use, inspect the scope mount for any signs of damage or wear. Do not use if damaged.
- **Compatibility:** Ensure that the scope mount is compatible with your optic and firearm. Refer to the specifications provided.
- **Installation:** Follow the installation instructions carefully to avoid improper mounting which may lead to accidents or equipment failure.
- **Weight Limit:** Be mindful of the weight limit of your scope mount. Exceeding this limit may compromise safety and performance.
- **Secure Fastening:** Always ensure that all screws and attachments are securely fastened before use.
- **Avoid Modifications:** Do not alter or modify the scope mount in any way as this may compromise safety and functionality.
- **Storage:** Store the scope mount in a dry and secure place when not in use to prevent damage.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench, if applicable.
- Ensure you are working in a clean, dry environment.

2. Installation Steps:

- Place the scope mount onto the picatinny rail of your firearm.
- Align the mount with the desired position on the rail.
- Using the provided hardware, secure the base of the mount to the rail. Ensure the clamping bars are properly engaged.
- Torque the screws to the manufacturer's specifications using a torque wrench to ensure a secure fit.

- Attach your scope to the mount, ensuring that it is level and properly aligned.
- Secure the scope to the mount using the provided rings and hardware, following the same torque specifications.

3. **Usage:**

- After installation, doublecheck that all components are securely fastened before using the firearm.
- Regularly check the tightness of the mount and scope during use, especially after extended periods or rough handling.

Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations regarding electronic waste and metal disposal.
- **Recycling:** If possible, recycle the components of the scope mount to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding safety, installation, or product performance, please refer to the contact information included with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy your TACTICAL CANTILEVERED 1PIECE SCOPE MOUNTS responsibly and safely.
