

ARCALOCK MLOK ATTACHMENT - ARCALOCK DOVETAIL RAIL 12" M-LOK FDE

Improved Dovetail Technology for Your Precision Rifle

ARCALOCK MLOK ATTACHMENT Area 419 is always looking for ways to improve existing products when Area 419 are not developing new technologies. With the rapid growth in popularity of ARCA rails in precision rifle, they saw a need to improve this great dovetail technology to something that could be mechanically locked in place instead of just friction. If you have ever tried using a Barricade stop on an existing ARCA rail, you've probably also seen it slide under much pressure. Introducing the ARCALOCK Dovetail Rail System *Rail is only locking with an Area 419 clamp* Rail Features: Serrated rail sides interface with Area 419's proprietary clamp design to mechanically lock it in place so no movement is possible. Serrations are not sharp, will not damage bags or your hands. Rail is backwards compatible with standard Arca accessories, but will not be locking without Area 419's clamp. Arcalock Dovetail Rail 6" M-LOK is 6" long and weighs in at a paltry 2.2oz. NOTE: THIS RAIL REQUIRES 3 CONSECUTIVE MLOK SLOTS TO ATTACH. Arcalock Dovetail Rail 12" M-LOK is 12" long giving you the entire length of the stock forend for attachments. The best part is, it still only weighs in at a paltry 4.1oz. NOTE: THIS RAIL REQUIRES 6 CONSECUTIVE MLOK SLOTS TO ATTACH. FOR STOCKS WITH FEWER MLOK SLOTS, YOU'LL WANT A 12" UNIVERSAL RAIL WITH MLOK ATTACHMENT NUTS SPECS Made to the RRS 1.5" Dovetail Standard, so you can be sure lever clamps will work. No sharp edges. Every corner is radiused, and every edge is chamfered on the machine. This takes longer to make, but it is the only right way. Type 3 Hard Coat anodized for additional durability. Made from 6061-T6 Aluminum. Made in-house in the USA from USA sourced Aluminum on USA made CNCs. Rail comes with all M-LOK mounting hardware.

Attributes

- Name: ARCALOCK DOVETAIL RAIL 12" M-LOK FDE
- Manufacturer: AREA 419
- Product no.: 430112800
- Mfr. No.: 419-ALK-MLOK12-FDE
- Attachment: -
- Color: Flat Dark Earth
- Length: -
- Material: Aluminum
- Style: -
- Type: ARCA Quick Detach
- Delivery weight: 0.363kg
- Shipping height: 64mm
- Shipping width: 64mm
- Shipping length: 406mm
- UPC: 810080183070

ARCALOCK MLOK ATTACHMENT Safety Instructions

Introduction

Thank you for choosing the ARCALOCK MLOK ATTACHMENT. This guide provides essential safety information and instructions to ensure the safe and effective use of the product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product for any purpose other than its intended use.
- In case of any malfunction or damage, stop using the product immediately and contact the manufacturer.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Mechanical Locking:** Ensure that the ARCALOCK Dovetail Rail is securely locked in place using the Area 419 clamp before use. Failure to do so may result in the rail sliding or detaching under pressure.
- **Weight Limit:** Be aware of the weight limits of the rail and avoid exceeding them to prevent accidents or damage.
- **Handling:** The serrated rail sides are designed to be safe; however, handle with care to avoid any potential injury.
- **Compatibility:** The rail is backwards compatible with standard Arca accessories, but ensure that you use the Area 419 clamp for locking functionality.
- **Installation:** Follow the installation instructions carefully to avoid improper setup that could lead to accidents or malfunctions.

Instructions for Installation and Usage

Installation Steps

1. **Identify MLOK Slots:** Ensure your firearm has the required number of consecutive MLOK slots for attachment. The 12" rail requires 6 consecutive MLOK slots.
2. **Align the Rail:** Position the ARCALOCK Dovetail Rail so that the mounting holes align with the MLOK slots.
3. **Attach the Rail:** Use the provided MLOK mounting hardware to secure the rail to the firearm. Tighten the screws evenly to ensure a secure fit.
4. **Lock the Rail:** Attach the Area 419 clamp to the rail and tighten to mechanically lock it in place. Ensure there is no movement.

Usage Instructions

- When using the rail, ensure that all accessories are securely attached.
- Regularly check the integrity of the rail and attachments during use.
- Avoid using excessive force that may compromise the rail or its attachments.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options for aluminum materials.
- Ensure that any packaging materials are also disposed of properly.

Contact Information for Further Support

For any inquiries or support regarding the ARCALOCK MLOK ATTACHMENT, please contact the manufacturer directly.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your ARCALOCK MLOK ATTACHMENT. Thank you for your attention to these important guidelines.
