

MAGWELL FOR GLOCK® GEN-5 17/22/31/34/35 - MAGWELL FOR GLOCK 17/22/31/34/35 GEN 5 GRAY

Guide your loaded magazine smoothly and quickly into the Glock pistol's grip with the sleek Tyrant Designs Glock Gen4 17/22/31/34/35/45 compatible Magwell. Made of high-quality materials, these carefully designed magwells make it so easy that with just a little practice, you can load a fresh magazine without ever looking at the pistol. Win competitions or defend yourself better with those added seconds. Increase your reloading speed In a competition, it can come down to microseconds. Speed is essential, no matter what the scenario, especially the time lapse between magazine changes. The enhanced ergonomics of their Tyrant Designs Glock-compatible Magwell will increase your loading speeds. Forward relief cuts provide comfort, and an aggressive funnel ensures your reloads will be quick and successful. You'll never fumble a magazine change again. In emergency situations, fumbles are the difference between life and death. In those events, these microseconds are even more important, and you never want to question if being faster might help in a self-defense scenario. How it all works The magwell adapter flares out to create a wider opening to guide the magazine into the firearm. Shaped like a funnel, it cuts down on the fumbling and the need for an exact aim to get the magazine into the firearm. Less fumbling equals faster reload speed. Designed to improve reloads Made of high-quality aluminum, these magwells designed for the Glock 17, 22, 31, 34, 35, and 45 provide weight to help improve your reloads. This weight also provides balance for your Glock. Never lose parts again with this one-piece design. Retention is more comfortable with a set screw, which is made of anodized aluminum. Functionality and retention are ensured by the underside cuts. Removal of faulty or stuck magazines will never be a problem because of the ramp and edge."

MAGWELL FOR GLOCK® GEN5 17/22/31/34/35 Safety Instructions

Introduction

Thank you for purchasing the MAGWELL FOR GLOCK® GEN5 17/22/31/34/35. This guide provides essential safety instructions to ensure the safe use and handling of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the magwell is compatible with your Glock model (17, 22, 31, 34, 35, Gen 5) before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the magwell and firearm out of reach of children and unauthorized users.
- Regularly inspect the magwell for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the magwell.
- Avoid using the magwell in wet or humid conditions to prevent corrosion.
- Do not modify the magwell in any way, as this may compromise its safety and functionality.
- Be cautious of sharp edges during installation and removal.
- Use only highquality magazines that are compatible with your Glock to ensure proper function.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Align the magwell with the grip of the Glock.
- Firmly press the magwell into place until it is securely fitted.
- Use the provided set screw to secure the magwell to the firearm. Ensure it is tightened but do not overtighten, as this may cause damage.

2. Usage:

- When reloading, grip the firearm firmly and align the magazine with the magwell.
- Guide the magazine into the magwell using a smooth and quick motion.
- Practice reloading to improve your speed and efficiency without looking at the firearm.

3. Removal:

- Ensure the firearm is unloaded.
- Use an appropriate tool to loosen the set screw.
- Gently pull the magwell away from the grip of the firearm.

Disposal Instructions

- Dispose of the magwell and any packaging materials in accordance with local regulations.
- Do not dispose of the magwell in fire, as it may release harmful substances.
- If the magwell is damaged beyond repair, contact local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of the MAGWELL FOR GLOCK® GEN5 17/22/31/34/35, please refer to the contact information provided with your product.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your enhanced reloading experience with your Glock!
