Safety Instruction Guide for Tyrant CNC Slide Cover Plate for Springfield Hellcat/Hellcat Pro

Introduction

Thank you for choosing the Tyrant CNC Slide Cover Plate for your Springfield Hellcat or Hellcat Pro. This product is designed to enhance the performance and aesthetics of your firearm. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully before installation and use.

General Safety Guidelines

- Ensure that the slide cover plate is compatible with your specific model of the Springfield Hellcat or Hellcat Pro.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the slide cover plate for signs of wear or damage.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure the firearm is unloaded before beginning installation.
- **Personal Safety:** Use protective eyewear during installation to prevent injury from small parts.
- **Environmental Safety:** Do not use the slide cover plate in environments that may expose it to extreme temperatures or corrosive substances.
- **Age Warning:** This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Unloading the Firearm:

- Ensure the firearm is completely unloaded.
- Remove the magazine and check the chamber.

2. Preparing for Installation:

- Gather necessary tools (if applicable) for installation.
- Work in a clean, welllit area to avoid losing small components.

3. Removing the Old Slide Cover Plate:

- Carefully remove the existing slide cover plate from the firearm.
- Follow the manufacturer's instructions for your specific model if available.

4. Installing the Tyrant CNC Slide Cover Plate:

- Align the new slide cover plate with the firearm's slide.
- Press down gently until it fits securely into place.
- Ensure there are no gaps between the plate and the slide.

5. Final Inspection:

- After installation, doublecheck that the slide cover plate is firmly in place.
- Conduct a function check of the firearm to ensure proper operation.

6. Usage:

- Use the firearm in accordance with all safety guidelines and laws.
- Regularly inspect the slide cover plate for any signs of wear or damage.

Disposal Instructions

- Dispose of any old or damaged slide cover plates in accordance with local regulations.
- Do not dispose of the slide cover plate in regular household waste if it contains hazardous materials.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the Tyrant CNC Slide Cover Plate, please refer to the manufacturer's website or contact their customer support team directly.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Tyrant CNC Slide Cover Plate for Springfield Hellcat or Hellcat Pro. Thank you for your attention to safety and for choosing our product!
