

# UXR MAGWELL ASSEMBLY - UXR 308 WINCHESTER/6.5 CREEDMOOR MAGWELL ASSEMBLY BLACK

The PWS UXR Magwell Assembly revolutionizes rifle customization by seamlessly integrating into the innovative XChange system, allowing shooters to adapt their firearm to various calibers with ease. This versatile magwell not only caters to both left and right-handed individuals with its ambidextrous design but also enables users to change magazine types depending on the caliber they're using. Alongside the magwell, the XChange system facilitates swift caliber changes by simply swapping out the barrel, magwell, and bolt. As the UXR expands its caliber options and barrel lengths in the future, it promises to redefine the standards of modular rifle platforms, providing shooters with unparalleled versatility and performance. Whether for tactical operations, hunting, or recreational shooting, the UXR XChange system offers a level of adaptability that transforms the shooting experience, setting a new benchmark in the firearms industry. Highlighted Features Ambidextrous Controls: Ambidextrous Magwell design for versatile magazine compatibility. UXR XChange: Integration into the rest of the UXR XChange ecosystem. Expanding Catalog: Ever-expanding caliber options and barrel lengths for enhanced versatility for the long term.

# UXR Magwell Assembly Safety Instruction Guide

## Introduction

Thank you for choosing the UXR Magwell Assembly. This product is designed to enhance your shooting experience by allowing you to customize your rifle for various calibers. To ensure safe use and compliance with EU regulations, please read this safety instruction guide carefully before installation and use.

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe operation.
- Ensure the product is suitable for your firearm model and caliber.
- Store the magwell assembly in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magwell assembly for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only compatible magazines with the UXR Magwell Assembly.
- Do not attempt to modify the magwell assembly or any related components.
- Ensure that the firearm is unloaded before installing or removing the magwell assembly.
- Always wear appropriate eye and ear protection when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm use and ownership.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing magwell if applicable by following the manufacturer's instructions.
3. Align the UXR Magwell Assembly with the firearm's receiver.
4. Secure the magwell assembly in place using the provided screws or fasteners.
5. Verify that the magwell is firmly attached and does not move.

### Usage

1. Load the appropriate magazine for your selected caliber.
2. Insert the magazine into the magwell assembly until it clicks into place.
3. Always check that the magazine is properly seated before firing.
4. Follow standard firearm safety practices during shooting.

## Disposal Instructions

- Dispose of the UXR Magwell Assembly according to local regulations.
- Do not dispose of any firearm components in regular waste.
- Check with local authorities for proper disposal methods for firearm accessories.

## Contact Information for Further Support
