

FRC 308 CALIBER TWO-PORT COMPENSATOR - FRC TAPERED 2-PORT 308 CALIBER 5/8"-24 THREADS COMPENSATOR

Elevate your shooting experience with the cutting-edge PWS FRC square compensator, designed to be a suppressor host for the Rearden Atlas suppressor mounting system, accommodating popular suppressors like the BDE 762. Crafted with precision and innovation, this compensator stands as a premier selection for a diverse range of shooting scenarios. The PWS FRC compensator sets itself apart by prioritizing recoil reduction as its primary function while simultaneously excelling at flash suppression. Its distinctive 2-port design skillfully redirects flash away from optics and the line of sight, ensuring an unobstructed view and minimizing overpressure. When paired with suppressors, the FRC boasts a tight lockup and maintains it through hard shooting cycles. Mounted precisely, the FRC becomes a crucial component in your rifle's comprehensive recoil management system. By effectively mitigating recoil and muzzle rise, this compensator enables swift follow-up shots, ultimately delivering improved shooter control and accuracy. Choosing the PWS FRC provides the best of both worlds—superior recoil management and effective flash suppression—making it an indispensable asset for any shooter looking to enhance their shooting prowess and overall experience on the range or in the field. Select between flat shouldered option, for traditional rifle barrels, or tapered shoulder, for barrels with a tapered shoulder behind the muzzle threads.

Attributes

- Name: FRC TAPERED 2-PORT 308 CALIBER 5/8"-24 THREADS COMPENSATOR
- Manufacturer: PRIMARY WEAPONS
- Product no.: 430113218

Safety Instruction Guide for FRC 308 Caliber TwoPort Compensator

Introduction

Thank you for choosing the FRC 308 Caliber TwoPort Compensator. This guide provides essential safety instructions and information to ensure the safe and effective use of your compensator. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure that the compensator is installed and used in accordance with all applicable laws and regulations in your region.
- Always handle firearms with care and follow basic firearm safety rules.
- The compensator is designed for use with AR15 platforms and is intended for adult users only.
- Keep the compensator and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the compensator for any signs of wear or damage before each use.
- If you notice any defects or malfunctions, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that the firearm is unloaded when installing or removing the compensator.
- Do not exceed the recommended caliber specifications for the compensator.
- Be aware that the compensator may redirect gases and debris; maintain a safe distance from others while firing.
- Avoid using the compensator in enclosed spaces without adequate ventilation to prevent the buildup of harmful gases.
- Be cautious of the increased noise level associated with using a compensator.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Muzzle Device:** If applicable, remove any existing muzzle device by following the manufacturer's instructions.
3. **Clean Threads:** Clean the muzzle threads of the firearm to ensure proper fit.
4. **Install Compensator:**
 - Align the compensator with the muzzle threads.
 - Handtighten the compensator until snug.
 - Use a wrench if necessary, but do not overtighten to avoid damage.
5. **Check Alignment:** Ensure the compensator is aligned properly and securely attached.

Usage

- Fire the firearm in a safe and controlled environment.
- Monitor the performance of the compensator during use; if you notice excessive recoil or other issues, stop using it and consult a professional.
- Clean the compensator regularly to maintain its performance and prevent buildup of carbon or debris.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations regarding firearm accessories.
- If the compensator is damaged beyond repair, consult local waste management guidelines for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's official website or customer service resources.

By following these guidelines, you can ensure a safe and enjoyable shooting experience with your FRC 308 Caliber TwoPort Compensator. Thank you for your attention to safety and responsible firearm use.
