

FRC 308 CALIBER THREE-PORT COMPENSATOR - FRC TAPERED 3-PORT 308 CALIBER 5/8"-24 THREADS COMPENSATOR

Elevate your shooting experience with the cutting-edge PWS FRC compensator, serving as a suppressor host for the Rearden Atlas suppressor mounting system—compatible with popular suppressors like the BDE 762. Crafted with precision and innovation, this compensator stands as a premier selection for a diverse range of shooting scenarios. The PWS FRC compensator sets itself apart by prioritizing recoil reduction as its primary function while simultaneously excelling at flash suppression. Its distinctive 3-port design skillfully redirects flash away from optics and the line of sight, ensuring an unobstructed view and minimizing overpressure. When paired with suppressors, the FRC boasts a tight lockup and maintains it through hard shooting cycles, ensuring reliability in any situation. Mounted precisely, the FRC becomes a crucial component in your rifle's comprehensive recoil management system. By effectively mitigating recoil and muzzle rise, this compensator enables swift follow-up shots, ultimately delivering improved shooter control and accuracy, even in rapid-fire scenarios. Choosing the PWS FRC provides the best of both worlds—superior recoil management and effective flash suppression—making it an indispensable asset for any shooter looking to enhance their shooting prowess and overall experience on the range or in the field. Select between flat shouldered option, for traditional rifle barrels, or tapered shoulder, for barrels with a tapered shoulder behind the muzzle threads.

Attributes

- Name: FRC TAPERED 3-PORT 308 CALIBER 5/8"-24 THREADS COMPENSATOR
- Manufacturer: PRIMARY WEAPONS
- Product no.: 430113220

Safety Instruction Guide for FRC 308 Caliber ThreePort Compensator

Introduction

Thank you for choosing the FRC 308 Caliber ThreePort Compensator. This guide provides essential safety instructions to ensure the safe use and maintenance of your compensator. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Ensure that the compensator is used in accordance with all local laws and regulations regarding firearms and accessories.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Before using the compensator, ensure that your firearm is compatible with the FRC 308 Caliber compensator.
- Regularly inspect the compensator for any signs of wear or damage. Do not use if damaged.
- Store the compensator in a secure location, away from children and unauthorized users.
- If you experience any issues or have concerns regarding the compensator, cease use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with the compensator.
- Ensure that the firearm is pointed in a safe direction at all times during handling.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before firing.
- Do not modify the compensator or attempt to disassemble it unless instructed to do so by a qualified professional.
- Use only recommended ammunition types compatible with your firearm and compensator.
- Avoid using the compensator in conditions that may cause excessive heat buildup, such as rapid firing without breaks.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device (if applicable) from the firearm.
- Clean the threads of the barrel to ensure a proper fit.
- Align the compensator with the threads on the barrel and handtighten it in a clockwise direction.
- Use a wrench to securely tighten the compensator, ensuring it is snug but not overtightened to avoid damage.

2. Usage:

- Always conduct a function check of your firearm after installing the compensator to ensure proper operation.
- When firing, maintain a firm grip on the firearm to manage recoil effectively.
- Be mindful of the compensator's function in reducing recoil and flash, which may alter your shooting experience.
- Monitor performance during use and check for any unusual sounds or behaviors from the compensator.

Disposal Instructions

- When disposing of the compensator, follow local regulations regarding the disposal of firearm accessories.
- If the compensator is damaged beyond repair, ensure that it is rendered unusable before disposal to prevent unauthorized use.
- Consider recycling options if available in your area, ensuring that all materials are disposed of in an environmentally responsible manner.

Contact Information for Further Support

For any questions or concerns regarding the FRC 308 Caliber ThreePort Compensator, please refer to the manufacturer's official contact channels for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your FRC 308 Caliber ThreePort Compensator. Always prioritize safety and responsible use when handling firearms and their accessories. Thank you for your attention to these guidelines.
