[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

MAGPUL® TMAG® GEN M3 RIFLE MAGAZINE FOR AR-15/M4 The TMAG AR/M4 GEN M3 magazine is a highly reliable, translucent magazine for STANAG-compatible weapons chambered in 5.56x45 NATO/.223 Remington. Molded from a translucent material with an ODG/ Smoke hue, it provides shooters visibility to verify various ammunition types as well as round count. Featuring ribbed front and rear straps for improved purchase during magazine changes, the sides are left smooth to ensure visibility. Like the rest of the GEN M3 family of magazines, the TMAG incorporates similar internal geometry that translates into unmatched reliability when firing. The four-way, anti-tilt follower is paired with a durable USGI-spec, stainless-steel spring with a painted coil, which maintains the "gas gauge" capability from Magpul's Window magazine product line. The magazine body is clearly marked to show approximate round counts when inserted in a magazine well, and the paint-pen dot matrix allows for aftermarket markings to be applied by shooters. The TMAG's low-profile floor plate also allows for compatibility with the full line of Magpul floor-plate accessories. The TMAG is optimized for Colt-spec AR15/M4 platforms, but modified internal and external geometry also permits operation with a range of other weapons such as the HK®416 / MR556A1 /M27 IAR, FN®SCAR™ MK 16 / 16S, and others. **FEATURES** Compatibility Wide compatibility with most 'STANAG 4179' platforms such as the AR15, M4, M16, SCAR MK16/16S, HK416, MR556, M27 IAR, IWI Tavor, and others Translucent body for round identification and capacity information Ribbed front and rear straps for improved grip Four-way anti-tilt follower and USGI-spec, stainless-steel spring enhances reliability Painted coil and marked magazine body provides visual quick reference for capacity Paint-pen dot matrix allows for additional metrics for personal preference when looking for round-count indicators Accepts current aftermarket Magpul floor-plate accessories Functions in a variety of popular platforms SPECS Caliber 5.56x45mm / .223 Remington Platform AR15, M4, M16, SA-80

# MAGPUL® TMAG® GEN M3 RIFLE MAGAZINE FOR AR15/M4 Safety Instructions

## Introduction

Thank you for choosing the MAGPUL® TMAG® GEN M3 RIFLE MAGAZINE. This safety instruction guide is designed to ensure the safe and effective use of your magazine. Please read this guide carefully to understand how to use, maintain, and dispose of the product safely.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm before use.
- Always handle firearms and magazines with care and respect.
- Store the magazine in a safe and secure location, out of reach of children.
- Regularly inspect the magazine for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always keep the magazine unloaded when not in use.
- Do not use the magazine if it shows signs of damage or malfunction.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- Ensure that the magazine is properly seated in the firearm before use.
- Use only compatible ammunition as specified by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.
- Verify that the magazine is securely attached before proceeding.

### 2. Usage:

- Load the magazine with the appropriate ammunition, ensuring it is within the specified capacity.
- Insert the loaded magazine into the firearm as described in the installation section.
- Confirm that the magazine is seated correctly and is ready for use.
- After use, remove the magazine from the firearm and ensure it is unloaded before storage.

## Disposal Instructions

- Dispose of the magazine in accordance with local regulations for firearm accessories.
- Do not dispose of the magazine in regular household waste.
- Consider recycling options for polymer materials where available.

## **Contact Information for Further Support**

For further support or inquiries regarding safety, please consult the relevant authorities or your local dealer. Always ensure that you have access to the latest safety information regarding your product.

By following these safety instructions, you can ensure the safe use of your MAGPUL® TMAG® GEN M3 RIFLE MAGAZINE. Thank you for prioritizing safety in your shooting activities.
