

CELLVAULT 18 BATTERY STORAGE - THYRM LLC CELLVAULT 18 BATTERY STORAGE FOR 18350 AND 18650 O.D. GREEN

[Emergency & Survival Gear](#) > [Emergency Electronics](#) > [Batteries](#)

CELLVAULT-18 BATTERY STORAGE FOR 18350 AND 18650 Protect your premium 18650 and 18350 batteries while keeping them immediately accessible, with the CellVault-18. Premium batteries require protection from physical and environmental damage but need to remain accessible to keep advanced tactical lights running at full power. The CellVault-18 takes attachable battery storage to the next level with new features like side windows that help you verify gear status, a metal locking latch, and waterproof double-layer construction. FEATURES: Holds 1 18650 or 2 18350 Rechargeable Batteries Waterproof O-ring seal rated to IPX7 at 2 meters for 30+ minutes Folding metal latch for simple installation and positive attachment Silicone foam shock absorber/noise silencer Clear side windows allow for gear status checks Slim profile: less than 1 MOLLE/PALS column wide for easy integration into existing gear configurations Designed and manufactured in the USA INSTALLATION: Unlock the bottom latch and open the CellVault-18. Fold the latch flat to reduce profile. Insert the rigid strut through MOLLE/PALS Webbing. Unfold the latch to 90 degrees. Verify foam shock absorber is at the bottom of the CellVault-18 tube. Insert battery (or batteries) with the positive (+) terminal towards the foam at the bottom. Close the tube and latch, making sure no material is caught in the tube/cap interface.

CellVault18 Battery Storage Safety Instructions

Introduction

Thank you for choosing the CellVault18 Battery Storage by THYRM LLC. This product is designed to protect your premium 18650 and 18350 batteries while keeping them accessible for use in advanced tactical lights. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

To ensure the safe use of the CellVault18 Battery Storage, please adhere to the following guidelines:

- Always handle batteries with care to avoid physical damage.
- Store batteries in a cool, dry place away from direct sunlight and moisture.
- Do not expose the product to extreme temperatures or harsh environmental conditions.
- Regularly inspect the CellVault18 for any signs of wear or damage.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

When using the CellVault18, please follow these specific safety precautions:

- Always insert batteries with the positive (+) terminal facing the foam at the bottom of the tube.
- Do not attempt to modify or disassemble the CellVault18.
- Ensure the waterproof Oring seal is intact before using the product in wet conditions.
- Do not overload the CellVault18 beyond its capacity (1 x 18650 or 2 x 18350 batteries).
- Avoid dropping or subjecting the product to strong impacts.
- If you notice any leakage or damage to the batteries, dispose of them immediately according to local regulations.

Instructions for Installation and Usage

Follow these steps for proper installation and usage of the CellVault18:

1. **Unlock and Open:** Unlock the bottom latch and open the CellVault18.
2. **Reduce Profile:** Fold the latch flat to reduce the profile.
3. **Insert Strut:** Insert the rigid strut through MOLLE/PALS webbing.
4. **Unfold Latch:** Unfold the latch to 90 degrees.
5. **Verify Foam Position:** Ensure the foam shock absorber is at the bottom of the CellVault18 tube.
6. **Insert Batteries:** Insert battery (or batteries) with the positive (+) terminal towards the foam at the bottom.
7. **Close the Tube:** Close the tube and latch, ensuring no material is caught in the tube/cap interface.

Disposal Instructions

To dispose of the CellVault18 and its contents safely:

- Dispose of batteries according to local regulations. Many areas have designated battery recycling programs.
- If the CellVault18 is damaged beyond repair, check local guidelines for proper disposal methods for plastic and metal materials.
- Never throw batteries in regular household trash.

Contact Information for Further Support

For safety inquiries or additional support regarding the CellVault18 Battery Storage, please refer to the manufacturer or your point of purchase for assistance.

By following these safety instructions, you can ensure the safe and effective use of your CellVault18 Battery Storage. Thank you for your attention to safety.
