

CELLVAULT 18 BATTERY STORAGE FOR 18350 AND 18650 FDE

CELLVAULT-18 BATTERY STORAGE FOR 18350 AND 18650 Protect your premium 18650 and 18350 batteries while keeping them immediately accessible, with the CellVault-18. Premium batteries require protection from physical and environmental damage but need to remain accessible to keep advanced tactical lights running at full power. The CellVault-18 takes attachable battery storage to the next level with new features like side windows that help you verify gear status, a metal locking latch, and waterproof double-layer construction. FEATURES: Holds 1 18650 or 2 18350 Rechargeable Batteries Waterproof O-ring seal rated to IPX7 at 2 meters for 30+ minutes Folding metal latch for simple installation and positive attachment Silicone foam shock absorber/noise silencer Clear side windows allow for gear status checks Slim profile: less than 1 MOLLE/PALS column wide for easy integration into existing gear configurations Designed and manufactured in the USA INSTALLATION: Unlock the bottom latch and open the CellVault-18. Fold the latch flat to reduce profile. Insert the rigid strut through MOLLE/PALS Webbing. Unfold the latch to 90 degrees. Verify foam shock absorber is at the bottom of the CellVault-18 tube. Insert battery (or batteries) with the positive (+) terminal towards the foam at the bottom. Close the tube and latch, making sure no material is caught in the tube/cap interface.

Attributes

- Name: CELLVAULT 18 BATTERY STORAGE FOR 18350 AND 18650 FDE
- Manufacturer: THYRM LLC
- Product no.: 430113959
- Mfr. No.: CV18004
- Delivery weight: 0.057kg
- Shipping height: 41mm
- Shipping width: 191mm
- Shipping length: 102mm
- UPC: 712198321880

CELLVAULT 18 Battery Storage Safety Instructions

Introduction

Thank you for choosing the CELLVAULT 18 Battery Storage. This product is designed to safely store and protect your 18650 and 18350 rechargeable batteries while ensuring quick access when needed. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the CELLVAULT 18 Battery Storage according to the manufacturer's instructions.
- Ensure that the product is used only for its intended purpose—storing 18650 and 18350 batteries.
- Keep the CELLVAULT 18 out of reach of children and vulnerable individuals to prevent accidental use or injury.
- Regularly inspect the product for any signs of damage, wear, or malfunction. Do not use if damaged.
- Store the CELLVAULT 18 in a cool, dry place away from direct sunlight and extreme temperatures.
- In case of any leakage or damage to the batteries, handle with care and follow appropriate disposal guidelines.

Specific Safety Precautions for Use

- Always verify that the batteries are inserted correctly, with the positive terminal (+) oriented towards the foam at the bottom of the CellVault18.
- Do not exceed the storage capacity of the CellVault18. It is designed to hold 1 x 18650 battery or 2 x 18350 batteries.
- Ensure that the latch is securely closed before transporting the CellVault18 to avoid accidental opening and potential battery loss.
- Avoid exposing the CellVault18 to water or moisture beyond its rated waterproof capabilities (IPX7 at 2 meters for 30+ minutes).
- Do not attempt to modify or alter the CellVault18 in any way, as this may compromise safety and performance.

Instructions for Installation and Usage

1. Unlocking the CellVault18:

- Unlock the bottom latch to open the CellVault18.

2. Preparing for Installation:

- Fold the latch flat to reduce the profile for easier handling.

3. Attaching to Gear:

- Insert the rigid strut through MOLLE/PALS webbing for secure attachment.
- Unfold the latch to a 90degree angle to ensure it locks in place.

4. Inserting Batteries:

- Verify that the foam shock absorber is positioned at the bottom of the CellVault18 tube.
- Insert the battery (or batteries) with the positive (+) terminal facing the foam.

5. Securing the CellVault18:

- Close the tube and latch securely, ensuring no material is caught in the tube/cap interface.

Disposal Instructions

- Dispose of the CELLVAULT 18 Battery Storage in accordance with local regulations for electronic waste.
- For batteries, follow local guidelines for battery disposal or recycling to ensure environmental safety.

Contact Information for Further Support

For any safety inquiries or additional support regarding the CELLVAULT 18 Battery Storage, please refer to the contact details provided with your product packaging or on the manufacturer's website.

Thank you for prioritizing safety while using the CELLVAULT 18 Battery Storage. By following these guidelines, you help ensure a safe and effective experience with your battery storage solution.
