

CELLVAULT 18 BATTERY STORAGE - THYRM LLC CELLVAULT 18 BATTERY STORAGE FOR 18350 AND 18650 FDE

[Emergency & Survival Gear](#) > [Emergency Electronics](#) > [Batteries](#)

CELLVAULT-18 BATTERY STORAGE FOR 18350 AND 18650 Protect your premium 18650 and 18350 batteries while keeping them immediately accessible, with the CellVault-18. Premium batteries require protection from physical and environmental damage but need to remain accessible to keep advanced tactical lights running at full power. The CellVault-18 takes attachable battery storage to the next level with new features like side windows that help you verify gear status, a metal locking latch, and waterproof double-layer construction. FEATURES: Holds 1 18650 or 2 18350 Rechargeable Batteries Waterproof O-ring seal rated to IPX7 at 2 meters for 30+ minutes Folding metal latch for simple installation and positive attachment Silicone foam shock absorber/noise silencer Clear side windows allow for gear status checks Slim profile: less than 1 MOLLE/PALS column wide for easy integration into existing gear configurations Designed and manufactured in the USA INSTALLATION: Unlock the bottom latch and open the CellVault-18. Fold the latch flat to reduce profile. Insert the rigid strut through MOLLE/PALS Webbing. Unfold the latch to 90 degrees. Verify foam shock absorber is at the bottom of the CellVault-18 tube. Insert battery (or batteries) with the positive (+) terminal towards the foam at the bottom. Close the tube and latch, making sure no material is caught in the tube/cap interface.

CELLVAULT 18 Battery Storage Safety Instructions

Introduction

Thank you for choosing the CELLVAULT 18 Battery Storage. This product is designed to protect your 18650 and 18350 batteries while ensuring they remain accessible for use in tactical lights. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the CELLVAULT 18 by following all instructions. This product is designed to minimize risks associated with battery storage.
- **Enhanced Recalls:** In the event of a safety recall, you will be notified through standardized notices. Please keep your purchase information for reference.
- **Online Shopping:** If purchased online, this product is subject to the same safety requirements as those sold in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of children to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact points available for consumer products.
- **Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Always check for visible damage to the CELLVAULT 18 before use.
 - Ensure the battery terminals are clean and free from corrosion.
- **Avoiding Hazards:**
 - Do not expose the CELLVAULT 18 to extreme temperatures or direct sunlight.
 - Do not store batteries that are leaking or damaged.
 - Ensure that the latch is securely closed before transport.
- **Age Warnings:**
 - This product is not suitable for children. Ensure that it is used only by individuals who understand battery safety.

Instructions for Installation and Usage

1. Unlocking and Opening:

- Unlock the bottom latch of the CELLVAULT 18.
- Open the unit by folding the latch flat to reduce its profile.

2. Inserting Batteries:

- Insert the rigid strut through MOLLE/PALS webbing for attachment.
- Unfold the latch to a 90degree angle.
- Verify that the foam shock absorber is positioned at the bottom of the CELLVAULT 18 tube.
- Insert the battery (or batteries) with the positive (+) terminal facing the foam at the bottom.

3. Closing the Unit:

- Close the tube and securely latch it, ensuring that no material is caught in the tube/cap interface.

4. Regular Checks:

- Periodically check the integrity of the CELLVAULT 18 and the condition of the batteries stored within.

Disposal Instructions

- **Battery Disposal:**

- Follow local regulations for the disposal of batteries. Do not dispose of batteries in regular household waste.

- **Product Disposal:**

- Dispose of the CELLVAULT 18 in accordance with local waste management regulations. Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the CELLVAULT 18 Battery Storage, please refer to the appropriate consumer support channels. Ensure you have your product information ready for any inquiries.

Thank you for your attention to these safety instructions. Enjoy using your CELLVAULT 18 Battery Storage responsibly!
