

# PREMIUM FULL LENGTH DIE SETS - REDDING 25 CREEDMOOR PREMIUM SERIES FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Following the introduction of Bullet Seating Micrometers for our standard series of seating dies, our customers have been asking for complete die sets with this added precision. We have now added two popular upgrades to a select group of "Series A" dies to create the new "Premium" Series Die Sets. The upgrades include combining a Carbide Size Button in the full length sizing die and the Bullet Seating Micrometer on the seating die. The "Premium" Full Length, two (2) die set; contains a carbide Size Button in the full length sizing die and the Bullet Seating Micrometer on the seating die.

# PREMIUM FULL LENGTH DIE SETS REDDING 25 CREEDMOOR PREMIUM SERIES FULL LENGTH DIE SET Safety Instruction Guide

## Introduction

Thank you for choosing the PREMIUM FULL LENGTH DIE SETS REDDING 25 CREEDMOOR PREMIUM SERIES FULL LENGTH DIE SET. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that the die set is used only for its intended purpose: reloading ammunition for the 25 Creedmoor cartridge.
- Always follow the manufacturer's instructions and guidelines during installation and usage.
- Keep the die set out of reach of children and unauthorized users.
- Inspect the die set for any damage or wear before each use.
- Use appropriate personal protective equipment (PPE) such as safety glasses when operating the die set.
- Store the die set in a secure location when not in use to prevent accidental access.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use may lead to personal injury or damage to the die set.
  - Always ensure that the reloading press is stable and secure before operation.
- **Avoiding Hazards:**
  - Do not exceed recommended load data when reloading.
  - Ensure that all components used in reloading are compatible and in good condition.
  - Never attempt to modify the die set or use it in a manner not specified by the manufacturer.
- **Age Specific Warnings:**
  - This product is intended for use by individuals who are 18 years of age or older.
  - Ensure that all users are knowledgeable about reloading practices and safety measures.

## Instructions for Installation and Usage

### 1. Installation:

- Read the manufacturer's instructions carefully before installation.
- Securely mount the die set onto a compatible reloading press.
- Ensure that the carbide Size Button is properly installed in the sizing die.
- Attach the Bullet Seating Micrometer to the seating die as per the instructions provided.

### 2. Usage:

- Always verify that the reloading press is in a safe position before starting the operation.
- Use the sizing die to resize the brass cases before reloading.
- Adjust the Bullet Seating Micrometer to the desired seating depth for the bullets.
- Follow standard reloading practices to ensure consistent and safe ammunition production.

## **Disposal Instructions**

- Dispose of any unused or damaged components of the die set in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Check for specific disposal guidelines in your area regarding metal and other materials.

## **Contact Information for Further Support**

For any safety inquiries or to report unsafe products, please contact your local regulatory authority or visit the relevant safety platform for updates and information.

Thank you for prioritizing safety while using the PREMIUM FULL LENGTH DIE SETS REDDING 25 CREEDMOOR PREMIUM SERIES FULL LENGTH DIE SET. Your adherence to these guidelines helps ensure a safe and enjoyable reloading experience.
