Safety Instruction Guide for HOGUE OverMolded Grip Extension Pad for Glock 43

Introduction

Thank you for choosing the HOGUE OverMolded Grip Extension Pad for your Glock 43. This product is designed to enhance your shooting experience by providing a secure grip and improved control. To ensure safe use and maximize the benefits of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure the product is compatible with Glock 43 9mm 6round magazines before use.
- Always handle firearms safely and responsibly.
- Keep the grip extension pad away from children and unauthorized users.
- Inspect the grip extension pad for any damage before installation.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with Glock 43 9mm 6round magazines as specified.
- Do not modify the grip extension pad in any way.
- Avoid exposing the grip extension pad to extreme temperatures or harsh chemicals.
- Ensure the grip extension pad is securely attached before using your firearm.
- Regularly check the grip extension pad for wear and tear.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the magazine from the firearm.
- Align the grip extension pad with the bottom of the magazine.
- Press the grip extension pad firmly onto the magazine until it clicks into place.
- Verify that the grip extension pad is securely attached by gently pulling on it.

2. Usage:

- Hold the firearm with a firm grip, utilizing the additional finger groove provided by the grip extension pad.
- Practice safe shooting techniques, ensuring your finger is off the trigger until ready to shoot.
- Be aware of your surroundings and ensure a clear line of sight before firing.

Disposal Instructions

- Dispose of the grip extension pad in accordance with local regulations.
- Do not incinerate or expose the grip extension pad to fire.
- If the grip extension pad is damaged or no longer needed, consider recycling it if possible.

Contact Information for Further Support
