HOGUE® OVERMOLDED® GRIP EXTENSION PAD FOR GLOCK 43® 9MM 6RD MAGAZINE Enhance your Glock 43 with the Hogue OverMolded Rubber Grip Extension Base Pad, precision-engineered for 6-round 9mm magazines. Built from durable overmolded rubber and featuring Hogue's signature Cobblestone™ texture, this extension adds an extra finger groove for a full, secure grip on your compact pistol. The ergonomic design improves comfort and control, making magazine changes smoother and shooting more stable. Its rugged construction protects your magazine during quick reloads and ground drops, while installation is fast and hassle-free—no gunsmithing required. Perfect for shooters seeking a reliable upgrade that combines durability, performance, and comfort. SPECS Precision fit for GLOCK 43 (9MM) with HandALL® Beavertail Grip Sleeve (compatible ONLY with GLOCK 43 9MM 6-Round magazines) Material: OverMolded® Rubber Texture: Cobblestone™ FEATURES Extends below the magazine providing an additional finger groove for full hand grip Protects magazine during quick reload ground drops Made from long lasting durable thermoplastic elastomer that ages gracefully for years of service Textured with Hogue's famous Cobblestone pattern for increased comfort and grip Simple installation (magazine not included) DISCLAIMER: "GLOCK" is a federally registered trademark of GLOCK, Inc. and is one of many trademarks owned by GLOCK, Inc. or GLOCK Ges.m.b.H. Safety Instruction Guide for HOGUE® OverMolded® Grip Extension Pad for Glock 43® 9mm 6rd Magazine

Introduction

Thank you for choosing the HOGUE® OverMolded® Grip Extension Pad for your Glock 43® 9mm 6rd magazine. This product is designed to enhance your shooting experience by providing a secure grip and improved control. It is important to follow the safety guidelines and instructions outlined in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the grip extension pad.
- Use the grip extension pad only with Glock 43® 9mm 6rd magazines.
- Inspect the grip extension pad for any signs of damage before use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for recall updates on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the grip extension is securely attached to the magazine before use.
- Do not attempt to modify the grip extension pad or the magazine.
- Avoid using the grip extension pad in wet or slippery conditions that may affect grip.
- Be aware of your surroundings when using your firearm to prevent accidents.
- Always follow the manufacturer's instructions for safe handling and operation of your firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Glock 43® magazine is unloaded and free of ammunition.
- Align the grip extension pad with the base of the magazine.
- Press firmly until the grip extension clicks into place.
- Verify that the grip extension is securely attached by gently tugging on it.

2. Usage:

- Hold the firearm with a firm grip using the added finger groove provided by the grip extension.
- Practice safe handling techniques and be aware of your target and surroundings.
- When reloading, ensure that the magazine is securely seated in the firearm.

Disposal Instructions

- Dispose of the grip extension pad in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the HOGUE® OverMolded® Grip Extension Pad, please refer to the manufacturer's website or customer support resources.
