Safety Instruction Guide for 28GA/410 Bore Action Bar Sleeve for Remington 1100

Introduction

Thank you for choosing the 28GA/410 Bore Action Bar Sleeve for your Remington 1100 shotgun. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Remington 1100 shotgun before installing the action bar sleeve.
- Always handle firearms with care and follow all safety protocols.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect your shotgun and its components for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the shotgun is unloaded before performing any maintenance or installation work.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Do not use the action bar sleeve if it shows signs of damage or if it does not fit properly.
- Follow all manufacturer guidelines and recommendations for your Remington 1100 shotgun.

Instructions for Installation and Usage

1. Preparation

- Ensure the shotgun is completely unloaded.
- Gather necessary tools, including a screwdriver and cleaning cloth.

2. Installation Steps

- Remove the existing action bar sleeve by unscrewing it from the shotgun.
- Clean the area where the sleeve will be installed to ensure proper fit.
- Align the new action bar sleeve with the mounting points on the shotgun.
- Securely fasten the new sleeve using the screws provided, ensuring it is firmly in place.

3. PostInstallation Check

- Inspect the installation to ensure that the sleeve is seated properly and that there are no loose parts.
- Perform a function check by cycling the action of the shotgun without ammunition to confirm smooth operation.

4. Usage

- Regularly maintain your shotgun and the action bar sleeve to ensure optimal performance.
- If you notice any irregularities during operation, stop using the shotgun immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of any old or damaged components in accordance with local regulations.
- Ensure that any waste materials are disposed of safely and responsibly to minimize environmental impact.

Contact Information for Further Support

- For any questions or concerns regarding the installation or use of the action bar sleeve, please reach out to the appropriate support channels provided by the manufacturer.

By following these safety instructions, you can ensure the safe and effective use of the 28GA/410 Bore Action Bar Sleeve for your Remington 1100 shotgun. Thank you for prioritizing safety.
