Safety Instruction Guide for 28GA/410 Bore Action Bar Sleeve for Remington 1100

Introduction

Thank you for choosing the 28GA/410 Bore Action Bar Sleeve for your Remington 1100 shotgun. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read and follow these instructions carefully to maintain the performance and safety of your firearm.

General Safety Guidelines

- Ensure that the product is suitable for your specific Remington 1100 model before installation.
- Always handle firearms with care and follow basic firearm safety rules.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Action Bar Sleeve for signs of wear or damage.
- If you notice any defects or irregularities, discontinue use immediately and seek professional assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before performing any maintenance or installation work.
- Use protective eyewear when working with firearms to prevent injury from debris or accidental discharge.
- Avoid using excessive force when installing or removing the Action Bar Sleeve.
- Never modify the Action Bar Sleeve or any part of the firearm without consulting a qualified gunsmith.
- Ensure that the Action Bar Sleeve is properly seated during installation to prevent malfunction.
- Do not use the firearm if the Action Bar Sleeve is damaged or improperly installed.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as a screwdriver.

2. Removal of Old Action Bar Sleeve:

- Carefully remove the existing Action Bar Sleeve from the firearm by following the manufacturer's guidelines.
- Inspect the area for any debris or damage.

3. Installation of New Action Bar Sleeve:

- Align the new Action Bar Sleeve with the designated area on the Remington 1100.
- Gently press or slide the Action Bar Sleeve into place until it is securely seated.
- Ensure that there are no gaps or misalignments.

4. Final Inspection:

- Once installed, check the Action Bar Sleeve for proper fit and function.
- Manually cycle the action to ensure smooth operation.

5. Usage:

- Follow the manufacturer's guidelines for operating the Remington 1100.
- Regularly clean and maintain the firearm and the Action Bar Sleeve to ensure optimal performance.

Disposal Instructions

- Dispose of any old or damaged Action Bar Sleeves in accordance with local regulations.
- Do not throw away in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for firearm components.

Contact Information for Further Support

For any questions or concerns regarding the 28GA/410 Bore Action Bar Sleeve for Remington 1100, please refer to your retailer or the manufacturer's official website for assistance.

By following these guidelines, you can ensure the safe and effective use of your new Action Bar Sleeve. Thank you for your attention to safety and proper handling of your firearm.
