Safety Instruction Guide for Remington Stock Bolt 81/4"

Introduction

Thank you for choosing the Remington Stock Bolt 81/4". This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to secure the buttstock to the receiver of compatible Remington firearms.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the stock bolt and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the stock bolt for signs of wear or damage before each use.
- If the stock bolt is damaged or shows signs of wear, do not use it. Replace it immediately with a new one.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the Remington Stock Bolt 81/4" with compatible models: Remington 552, 572, and 870.
- Ensure that the firearm is unloaded before installing or adjusting the stock bolt.
- Use appropriate tools for installation to avoid damaging the bolt or the firearm.
- Follow all manufacturer recommendations for firearm maintenance and care.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary tools, including a suitable wrench or screwdriver.

2. Installation:

- Locate the buttstock on your Remington firearm.
- Align the stock bolt with the designated hole in the buttstock and receiver.
- Insert the stock bolt into the hole, ensuring it fits securely.
- Use the appropriate tool to tighten the stock bolt until it is snug. Do not overtighten, as this may damage the components.

3. Usage:

- After installation, check the stock bolt to ensure it is securely fastened.
- Regularly inspect the stock bolt during routine firearm maintenance.
- If you notice any looseness or wear, remove the stock bolt and replace it with a new one.

Disposal Instructions

- Dispose of the stock bolt in accordance with local regulations.
- Do not dispose of the stock bolt in regular household waste.
- If the stock bolt is damaged or no longer needed, consider recycling it if possible.

Contact Information for Further Support

For further support, please refer to the manufacturer's website or contact your local Remington dealer for assistance. Always keep the product manual for reference and future use.

Thank you for prioritizing safety and responsible firearm ownership. Enjoy your Remington Stock Bolt 81/4"!
