Safety Instruction Guide for 12 Gauge Standard Action Bar Sleeve for Remington 1100/1187

Introduction

Thank you for choosing the 12 Gauge Standard Action Bar Sleeve for your Remington 1100 or 1187 shotgun. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual thoroughly before installation and usage.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use with Remington 1100 and 1187 shotguns. Ensure that you are familiar with the shotgun's operation before using this component.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Follow the manufacturer's instructions for returning or replacing defective parts.
- **Online Shopping:** When purchasing online, ensure that you buy from authorized dealers to guarantee product safety and compliance with EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Store it in a safe place away from their reach.
- **EU Contact Point:** For any safety inquiries regarding this product, you may contact the manufacturer or authorized dealer in your country.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and potential hazards.

Specific Safety Precautions for Use

- **Installation:** Ensure that the shotgun is unloaded before installing the Action Bar Sleeve.
- **Compatibility:** Only use this sleeve with Remington 1100 and 1187 models. Using it with other models may result in malfunction or injury.
- **Inspection:** Regularly inspect the Action Bar Sleeve for wear or damage. Replace it if any issues are detected.
- **Handling:** Always handle your shotgun with care. Treat it as if it is loaded, even when you believe it is not.
- **Shooting Environment:** Use the shotgun in a safe environment and follow all local laws regarding firearm usage.
- **Maintenance:** Keep the Action Bar Sleeve clean and free of debris to ensure optimal performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure the shotgun is pointed in a safe direction.
- Verify that the shotgun is unloaded by checking the chamber and magazine.

2. Installation:

- Remove the existing Action Bar Sleeve if applicable. Follow the manufacturer's instructions for removal.
- Align the new Action Bar Sleeve with the action bar of the shotgun.
- Gently slide the sleeve into place until it is securely fitted.

3. Testing:

- After installation, cycle the action of the shotgun to ensure smooth operation.
- Check for any unusual sounds or resistance during operation.

4. Usage:

- Follow all standard operating procedures for your Remington shotgun.
- Always wear appropriate safety gear, including eye and ear protection, when using the shotgun.

Disposal Instructions

- Dispose of any damaged or worn Action Bar Sleeves in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the installation, usage, or safety of the 12 Gauge Standard Action Bar Sleeve, please refer to the manufacturer or authorized dealer. It is important to ensure you have the correct information for your specific needs.

Stay safe and enjoy your shooting experience with the Remington 1100 or 1187 shotgun.
