Safety Instruction Guide for BUSHINGS FOR BRASS SMITH CASE TRIM XPRESS

Introduction

Thank you for purchasing the BUSHINGS FOR BRASS SMITH CASE TRIM XPRESS by LYMAN. This guide provides important safety information and instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the bushings.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the bushings for any signs of damage before use.
- Keep the bushings out of reach of children and pets.
- Use personal protective equipment (PPE) such as safety glasses when operating the case trimmer.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the bushings if they are damaged or worn.
- Avoid placing fingers near the cutting area while the tool is in operation.
- Ensure that the workspace is clean and free of clutter to prevent accidents.
- Always operate the case trimmer on a stable surface.
- Be aware of your surroundings and ensure that no one is in close proximity while using the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that the case trimmer is unplugged before installation.
- Choose the appropriate bushing for your cartridge (e.g., 300 WSM, 270 WSM, 7 mm WSM, 325 WSM).
- Insert the bushing into the designated slot on the case trimmer until it is securely in place.
- Check that the bushing is properly seated and does not wobble.

2. Usage:

- Plug in the case trimmer and turn it on.
- Place the brass case into the bushing, ensuring it is aligned correctly.
- Gently push the case against the carbide cutter to initiate trimming.
- Allow the springloaded bushing to guide the case through the cutting process.
- Once trimming is complete, turn off the case trimmer and remove the trimmed case.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in household waste. Check for local recycling programs for proper disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the product, please contact your local retailer or the manufacturer.

directly for support.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the BUSHINGS FOR BRASS SMITH CASE TRIM XPRESS. Thank you for your attention to safety!
