

RECOIL GUIDE ROD for GLOCK® - 26/27/33 CAPTURED

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

Replaces The Plastic Factory Rod For Improved Cycling; Captured & Non-Captured Styles

Full-length, polished, solid stainless steel rods prevent spring bind for smooth cycling and improved reliability. Non-Captured models give you the option of easily changing to different weight springs. Captured models are easy to install and remove for cleaning and maintenance without risk of losing the spring.

RECOIL GUIDE ROD for GLOCK® 26/27/33 CAPTURED Consumer Safety Instruction Guide

Introduction

Thank you for choosing the RECOIL GUIDE ROD for GLOCK® 26/27/33 CAPTURED. This product is designed to enhance the performance and reliability of your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is suitable for your specific model of GLOCK® (26, 27, or 33).
- Always handle firearms safely and responsibly.
- Store the recoil guide rod in a secure location, away from children and unauthorized users.
- Regularly inspect the recoil guide rod for signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories and modifications.

Specific Safety Precautions for Use

- Use only compatible springs with the captured recoil guide rod to avoid malfunction.
- Do not attempt to modify the recoil guide rod or any associated components.
- Always ensure the firearm is unloaded before installing or removing the recoil guide rod.
- Keep hands and other body parts clear of the recoil guide rod during installation and removal to avoid injury.
- If you experience any issues during installation or operation, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

2. Installation:

- Remove the existing recoil guide rod if applicable.
- Align the captured recoil guide rod with the recoil spring assembly.
- Insert the captured recoil guide rod into the appropriate position within the firearm.
- Ensure it is seated properly and securely.

3. Usage:

- After installation, perform a function check to ensure smooth cycling of the firearm.
- Regularly clean and maintain the recoil guide rod to ensure optimal performance.
- Follow the manufacturer's guidelines for the use of different weight springs (if applicable).

Disposal Instructions

- Dispose of the recoil guide rod in accordance with local regulations regarding metal waste.
- Avoid disposing of the product in regular household waste to ensure environmental safety.

Contact Information for Further Support

For any safety inquiries or concerns regarding the RECOIL GUIDE ROD for GLOCK® 26/27/33 CAPTURED, please refer to the relevant EUbased contact points or your local authorities.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the RECOIL GUIDE ROD for GLOCK® 26/27/33 CAPTURED. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important guidelines.
