# Safety Instruction Guide for B16 25Yard Special Slow Fire Target

## Introduction

Thank you for choosing the B16 25Yard Special Slow Fire Target. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read and understand the instructions before using the target.

## General Safety Guidelines

- Ensure that the target is used in a safe environment, away from populated areas.
- Always supervise children when using this product.
- Follow all local laws and regulations regarding the use of targets and firearms.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for updates on product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when shooting at the target.
- Ensure that the shooting area is clear of bystanders and obstacles.
- Inspect the target for any damage before use. Do not use if the target is damaged.
- Use only compatible ammunition as specified for your shooting setup.
- Maintain a safe distance from the target while shooting.
- Do not attempt to retrieve arrows or bullets until it is safe to do so.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a suitable location for the target that is flat and secure.
- Ensure that the target is placed at a safe distance from any structures or people.
- Use appropriate support stands or frames to secure the target in place.

### 2. Usage:

- Position yourself at a safe distance from the target, as per your shooting guidelines.
- Ensure that your shooting area is clear of any obstructions or people.
- Follow standard shooting protocols, including checking your firearm or bow for safety before use.
- After shooting, check the target for accuracy and any damage.

## Disposal Instructions

- Dispose of the target in accordance with local regulations.
- If the target is damaged or no longer usable, ensure it is discarded in a way that prevents any potential hazards to the environment or public safety.
- Recycle materials if applicable, following local recycling guidelines.

## Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please consult the appropriate EU contact point for consumer safety.

Thank you for prioritizing safety while enjoying your shooting experience with the B16 25Yard Special Slow Fire Target.
